This book will help you make home education an exciting adventure that you and your child will treasure for a lifetime. It is a comprehensive resource that will enable you to feel confident that you are providing a quality education for your child. Your child will be exposed to good literature and will study phonics and language arts in meaningful contexts. He or she will also learn important math concepts and explore interesting topics in science and social studies. Every day, follow the user-friendly lesson plans. Turn to the middle section of the manual to find explanations of concepts, background information, and extension activities supporting each week's lessons. The manual also contains a variety of worksheets for your child.

Offers clear teacher instructions with unique reproducible activities to teach children about the treasures found in the library.

Instill a love of reading in special-education students and/or English Language Learners in grades K-2 using Get Ready, Read! This 240-page interactive resource systematically breaks down phonics and reduces the pace to help struggling readers comprehend first words. It covers more than 150 word families, and each chapter includes phonogram lists, clip art, word cards, and phonemic-awareness and decoding activities. Circle-time lessons introduce small groups of words with exercises, songs, games, and learning aids. Activities and games provide follow-up practice. The book supports NAEYC and NCTE standards.
