and then for three seasons in Cleveland until Beckham was ...

"Bevy knows what's what, and she is the kind of woman you want in your corner. If you don't believe me . . . buy the book." —Whoopi Goldberg  
"Funny, wise, well-experienced, empathetic, colorful—Bevy brings the spirit of humanity wherever she goes." —Pharrell Williams  
From the host of the fabulous and popular show *Bevelations* on SiriusXM's Radio Andy channel, Bevy Smith's irreverent and inspiring memoir about learning to live a big, authentic, and unapologetic life—and how you can, too. Bevy Smith was living what seemed like a glamorous dream as a fashion advertising executive, blazing a lucrative career for herself in the whitewashed magazine world. She jetsetted to Europe for fashion shows, dined and danced at every hot spot, and enjoyed a mighty roster of lovers. So it came as quite a shock to Bevy when one day, after arriving at her luxury hotel in Milan, she collapsed on the Frette bedsheets and sobbed. Years of rolling with the in-crowd had taken its toll. Her satisfaction with work and life had hit rock bottom. But Bevy could not be defeated, and within minutes (okay, days) she grabbed a notepad and started realizing a truer path—one built on self-reflection and, ultimately, clarity. She figured out how to redirect her life toward meaningful creativity and freedom. In her signature lively and infectious voice (there's no one like Bevy!), *Bevelations* candidly shares how she reclaimed her life's course and shows how we too can manifest our most bodacious dreams. From repossessing her bold childhood nature to becoming her own brand to envisioning her life's next great destination (which will feature natural hair, important charitable giving, and a midcentury house overlooking the Pacific Ocean), Bevy invites readers along on the route of her personal transformation to reveal how each of us can live our best lives with honesty, joy, and, when we're in the mood, a killer pair of shoes.

Infused with real-life examples, self-analysis exercises, and advice from an industry professional, *Rip the Resume* is more than a "how to write a better resume" book; it's a proven system designed to challenge job seekers to take complete control and responsibility during a job search. Follow a ground-breaking roadmap on your journey to becoming the candidate that employers are seeking—whether you are a millennial looking to launch an exciting and fulfilling career or an experienced individual exploring greater career opportunities. *Rip the Resume* provides the tools you need to transform yourself into the candidate that employers are searching for: Cutting-edge guidance for job seekers in any field  
Vital resume deconstruction techniques to highlight important areas and downplay others to render a stronger document  
Winning conversation strategies to make a lasting impression during the interview  
Practical advice for using social media wisely, both in the job search and in building your personal brand. *Rip the Resume* is based on best practices and concepts that strengthen ANY job search.

Rock stars and rap gods. Comedy legends and A-list actors. Supermodels and centerfolds. Moguls and mobsters. A president. Over his unrivaled four-decade career in radio, Howard Stern has interviewed thousands of personalities—discussing sex, relationships, money, fame, spirituality, and success with the boldest of bold-faced names. But which interviews are his favorites? It's one of the questions he gets asked most frequently. *Howard Stern Comes Again* delivers his answer. This book is a feast of conversation and more, as between the lines Stern offers his definitive autobiography—a magnum opus of confession and personal exploration. Tracy Morgan opens up about his near-fatal car crash. Lady Gaga divulges her history with cocaine. Madonna reminisces on her relationship with Tupac Shakur. Bill Murray waxes philosophical on the purpose of life. Jerry Seinfeld offers a master class on comedy. Harvey Weinstein denies the existence of the so-called casting couch. An impressive array of creative visionaries weigh in on what Stern calls "the climb"—the stories of how they struggled and eventually prevailed. As he writes in the introduction, "If you're having trouble finding motivation in life and you're looking for that extra kick in the ass, you will find it in these pages." Interspersed throughout are rare selections from the *Howard Stern Show* archives with Donald Trump that depict his own climb: transforming from Manhattan tabloid fixture to reality TV star to president of the United States. Stern also tells of his *Moby Dick*-like quest to land an interview with Hillary Clinton in the run-up to the 2016 election—one of many newly written revelations from the author. He speaks with extraordinary candor about a variety of subjects, including his overwhelming insecurity early in his career, his revolutionary move from terrestrial radio to SiriusXM, and his belief in the power of psychotherapy. As Stern insightfully notes in the introduction: "The interviews collected here represent my best work and show my personal evolution. But they don't just show my evolution. Gathered together like this, they show the evolution of popular culture over the past quarter century."

Single women are more prominent in society than ever before, so why is being unattached and female still treated like a problem that needs to be solved with marriage? *Single Girl Problems* looks to change the narrative on what it means to be a single woman in the twenty-first century.

This innovative and popular text provides a clear pathway to developing public relations campaigns and other types of strategic communication. Implementing the pragmatic, in-depth approach of the previous editions, author Ronald D. Smith presents a step-by-step unfolding of the strategic campaign process used in public relations practice. Drawing from his experience in professional practice and in the classroom, Smith walks readers through the critical steps for the formative research, strategic and tactical planning, and plan evaluation phases of the process. Offering clear explanations, relevant examples, and practical exercises, this text identifies and

discusses the decision points and options in the development of a communication program. The cases and examples included here explore classic real-world public relations situations as well as current, timely events. This fourth edition highlights the results of new research studies on opinions and practices within the discipline, and adds overviews of several award-winning public relations campaigns. As a classroom text or a resource for professional practice, this volume provides a model that can be adapted to fit specific circumstances and used to improve effectiveness and creativity in communication planning. It serves as an accessible and understandable guide to field-tested procedures, offering practical insights that apply to public relations campaigns and case studies coursework.

In its 114th year, Billboard remains the world's premier weekly music publication and a diverse digital, events, brand, content and data licensing platform. Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music, video, gaming, media, digital and mobile entertainment issues and trends.

Search skills of today bear little resemblance to searches through print publications. Reference service has become much more complex than in the past, and is in a constant state of flux. Learning the skill sets of a worthy reference librarian can be challenging, unending, rewarding, and-- yes, fun.
