Franciscan friar Bernardino de Sahagún and twenty-two indigenous artists locked themselves inside the school of Santa Cruz de Tlaltelolco in Mexico City with a mission: to create nothing less than the first illustrated encyclopedia of the New World. Today this twelve-volume manuscript is preserved in the Biblioteca Medicea Laurenziana in Florence and is widely known as the Florentine Codex. A monumental achievement, the Florentine Codex is the single most important artistic and historical document for studying the peoples and cultures of pre-Hispanic and colonial

It reflects both indigenous and Spanish traditions of writing and painting, including parallel columns of text in Spanish and Nahuatl and more than two thousand watercolor illustrations prepared in European and Aztec pictorial styles. This volume reveals the complex meanings inherent in the selection of the pigments used in the manuscript, offering a fascinating look into a previously hidden symbolic language. Drawing on cuttingedge approaches in art history, anthropology, and the material sciences, the book sheds new light on one of the world's great

It is fundamental for participation in democratic societies, and for social inclusion and cohesion. This handbook is a policy and working document which promotes convergence and coherence between the linguistic dimensions of various school subjects. It proposes measures to make explicit – in curricula, pedagogic material and

Fifth-grader Joel (YoYo) Silver loves playing practical jokes and making people laugh. Just when he decides to stop pranking people and focus instead on wowing a crowd with magic and juggling, his school buddies start a "challenge" club, daring each other to take part in contests and pranks. When the dares start to fall outside of Joel's

Meanwhile, it's almost Hanukkah. Joel and his twin sister Ellie (YaYa) are learning about the Maccabees, the ancient Jews who refused to give up their way of life despite enormous pressure from the Greeks. Joel is discovering that peer pressure and making good (and not-so-good) decisions can be almost as tough as being a Maccabee!
