"Pecorino" is a term given to any Italian cheese made from sheep's milk as "Pecora" means sheep. Pecorino is a hard, pressed cheese, which is often aged. In general, it takes up to a year for the cheese to mature, and it is during this time Pecorino's characteristic tangy and savory flavor comes into its own.

"The first guide to Italy's traditional cheeses describes and documents two hundred and five farmhouse specialities with original texts and photographs. This inventory has been compiled by Slow Food as a contribution to the conservation of a vast heritage of local products, born of Italy's extraordinarily varied landscapes, natural environments, dairy breeds and cheesemaking techniques. A long, endlessly surprising, journey of discovery and pleasure through the Italy of "solid milk". With a wealth of information on cheese families, maturing, the art of cutting, and the vocabulary of cheese."--BOOK JACKET.Title Summary field provided by Blackwell North America, Inc. All Rights Reserved

Slow Food is sweeping the nation, at a snail's pace. This international organization was started in Italy by people who perceive McDonald's as the symbol of a society that is overshooting its own limits. The greatest loss of all is the pleasure of eating foods that are made without the restrictions of time. Many of the cheeses portrayed in this delightful book--stracciatia, giuncata, formaggio di fossa, formaggetta della valle Argentina--are not household names and they probably never will be. They're a few of the 201 traditional Italian farmhouse cheeses lovingly described in this new book from Slow Food International as a "contribution to the conservation of a vast heritage of local products, born of Italy's extraordinarily varied landscapes, natural environments, dairy breeds, and cheesemaking techniques." Starting with illustrated descriptions of traditional and industrial cheesemaking, Slow Food's authors take us through the processes of buying, tasting, and storing cheeses. Dictionaries of tasting terms and the language of cheeses and cheesemaking provide essential preludes for the heart of this book--descriptions of Italy's farmhouse cheeses, traditionally made from cow's, ewe's, and goat's milk. Organized by region and accompanied by elegant color photographs, each description covers how the cheese is made and matured, along with historical and geographic nuggets. Written by people in love with farmhouse cheeses, and with everything small, local, slow, and traditional foods and food systems represent, this is an informative and hopeful book, celebrating a rich, rural European tradition. This book will make you start packing your bags for a cheese lover's tour of Italy.

Meticulously researched and compiled by expert food writers of the international Slow Food movement, Italian Cheese was first published in 2001. This new edition of the book is 45 percent larger than the original and now profiles 290 distinct styles of traditional cheese. Organized by region, the book covers a wide range of typical Italian cheeses. Readers will discover not only familiar favorites like Parmigiano Reggiano and Grana Padano, but less well known styles like the nutty Taleggio, a washed-rind cheese from Lombardy that has been made in the Valassina foothills since the 9th century. Or Caciocavallo from southern Italy, with its distinctive purse-like shape. Entries describe how these traditional products are made and give readers a context for understanding the time-honored farming and cheesemaking practices that are rooted in the Italian landscape and culture. Attractive color photographs accompany each description and illustrate each type of cheese.

The Philadelphia institution and self proclaimed "Culinary Pioneers Since 1939" offers this guide to cheese pairing with information on 170 different varieties of artisan cheeses and 30 recipes including Cheddar Ale Soup and Rogue River Sushi.

Discusses the principles of cheesemaking and describes the cheeses of Europe and North America

The ultimate guide to the finest foods of Italy from the oldest, most celebrated Italian market in New York City In the heart of New York City's Little Italy sits Di Palo's, a family-owned food shop that has been the treasure of the neighborhood for more than a century. The four generations of Di Palos who have run this Italian specialty market have made it their mission to bring customers the finest old-world selections from Italy—handcrafted mozzarella, buttery prosciutto, estate olive oils, traditional artisanal pastas from throughout the country. Now, in one colorful volume, Lou Di Palo, great-grandson of the founder and steward of the family legacy, shares the vibrant history of this storied establishment and a lifetime of wisdom about the cuisine beloved around the world. Di Palo's Guide to the Essential Foods of Italy takes you on a gourmet excursion through Italy's twenty distinct regions, from Sicily to Umbria to Alto Adige. Each chapter highlights a specific food and its rich history, along with practical tips for selecting, storing, and serving it at home. Many include signature family recipes that have been handed down through the generations, including Grandma Mary's Sicilian Caponata and Concetta Di Palo's Meatballs, or recipes gathered from trips to Italy over the years, such as Trapani-Style Salted Sea Bass and Polenta con Formaggio Crucolo Fuso. Readers will discover, among many other things, the secret to a balsamic vinegar worthy of sharing only with one's closest friends, the proper way to prepare the perfect espresso, and the importance of looking for the Denominazione d'Origine Protetta—or the Protected Designation of Origin seal—which certifies that your food is a traditional, regional product. Complete with dozens of mouthwatering photographs, engaging anecdotes, and candid stories, and featuring a foreword by Academy Award-winning director Martin Scorsese, this immersive volume is part family narrative, part culinary odyssey, and part cookbook. Di Palo's Guide to the Essential Foods of Italy is your ticket to the best Italian foods—without having to wait in line! Praise for Di Palo's Guide to the Essential Foods of Italy "Of all the stores in all the world, Di Palo's is probably my favorite."—Ruth Reichl "Lou Di Palo is single-handedly preserving the history of Little Italy in New York City. Shopping at Di Palo's is an authentic, personal experience. When you walk into the shop, you feel like you're in the center of the universe. I've been waiting for Lou to write this book for years. He's a good friend and an American treasure."—Tyler Florence "Di Palo's has been one of the Seven Wonders of New York since 1925. This book is a beautiful story of their commitment to keeping Italian traditions, and shows the passion they've had for the artisanal best for almost one hundred years."—Chef Daniel Boulud "Lou Di Palo's depth and breadth of knowledge of Italian foods extends from the Alpine hills to the Sicilian coastline and he manages to bring it all home to us in this wonderful book."—Chef Michael Lomonaco "I love this book because it explains to an American how to elevate and enjoy great Italian ingredients. The pride that comes from Lou and his family translates to the store and, now, to the pages of this book. I found myself hungry after reading it. You will too."—Chef Alex Guarnaschelli

Any way you cut it, cheese has global appeal. Cheese is one of the most varied and flavorful foods in the world. Its unique appeal lies in its range of textures, aromas, flavors, means of production, and milk sources. With this guide, readers will discover everything they need to know about European and American cheeses, including the growth of artisan cheeses, how to shop for cheese, combining cheese with food and drink, cooking cheese, and making cheese. * Over the past two decades, the quality, availability and popularity of artisan cheeses has grown * Cheese consumption has increased from 11.3 to 31.2 pounds per person over the last 30 years * 173 of the supermarkets offer full-service cheese counters with up to 300 varieties

EXPLORE THE WORLD OF CHEESE BY ASKING YOURSELF ONE SIMPLE QUESTION: WHAT CHEESES DO I ALREADY LOVE? This is the first book of its kind to be organized not by country, milk type, or any other technical classification. The Book of Cheese maps the world of cheese using nine familiar favorites, what author Liz Thorpe calls the Gateway Cheeses. From basics like Swiss, blue, and cheddar, Liz leads the way to more adventurous types. Love Brie? Liz shows you how to find other Brie-like cheeses, from the mild Moses Sleeper to the pungent Fromage de Meaux. Her revolutionary approach allows food lovers to focus on what they really care about: finding more cheeses to enjoy. Complete with flavor and aroma wheels, charts guiding you through different intensities and availabilities, and gorgeous photography, this is the only book on cheese you will ever need.

The Rough Guide to Italy will help you explore every corner of the country that has more UNESCO listed sites than anywhere else in the world, ranging from intriguing sights such as the cave city of Matera and the Baroque towns of the Val di Noto in the deep south, to the iconic must-sees of Rome, Florence and Venice. This is the ultimate travelling companion to this fascinating country, with clear maps and honest, informed coverage of everything from boutique b&bs to hotels in historic palazzi, with authentic trattorias to unmissable gelaterias. Rough Guide authors dig deep behind the scenes of ancient and contemporary Italy, bringing its sights to life, and equipping you with everything you need to plan your holiday, whether you're into watersports or wine, football or food, Romans or Renaissance, beaches or Baroque. Stunning colour photographs highlight the very best the country has to offer, while detailed practical advice will help you get around Italy with the ease of an Italian, whether you choose to drive, or to travel by bus, boat or train.
