Relatively affordable as DIY projects go, tiling is also one of the most popular among homeowners. New tile can cover a multitude of sins and transform a space, from tiny entry to spacious kitchen, in a matter of hours, if it's done properly. This book presents all of the information needed to take on a tiling project from start to finish, including planning and layout, installation and upkeep -- from tiling a kitchen counter or outdoor patio, to installing glass block in a shower, on a curve. From the For Pros By Pros series, this book delivers pro-rated instruction guaranteed to get the job done right the first time.

Detailed instructions, accompanied by hundreds of step-by-step illustrations, take readers through common repairs and maintenance tasks around the house, including repairing holes in drywall, unclogging drains, replacing light fixtures, repairing cracked tiles, screening gutters, and more. Original. 12,000 first printing.

Indianapolis Monthly is the Circle City's essential chronicle and guide, an indispensable authority on what's new and what's news. Through coverage of politics, crime, dining, style, business, sports, and arts and entertainment, each issue offers compelling narrative stories and lively, urbane coverage of Indy's cultural landscape.
