catalogues and the present bDOk will be explained in the introduction to the second vQlume. In two vDlumes the contents of the previDus catalQgues, increased by an equal quantity Qof new material, has been rearranged according tOo a new system. The third volume, cDntaining illustrations, facsimiles Df manuscripts, maps and a general index Df names and subjects, is entirely new.

Originally published in 1921, this book was intended for non-Scottish students of Scottish literature as a guide for recitation and declamation of Scottish pieces. The text is divided into three parts: the first gives the phonetic symbols for the sounds of modern Scots, the second contrasts Scots grammar with standard English usage and gives illustrations from Scottish
