A Time Magazine Must-Read Book of 2020 A Most-Anticipated Book of the Year: O, The Oprah Magazine \* The New York Times \* The Washington Post \* Vogue \* Bustle \* BuzzFeed \* Ms. magazine \* The Millions \* Huffington Post \* PopSugar \* The Lily \* Goodreads \* Library Journal \* LitHub \* Electric Literature The first adult novel in almost fifteen years by the internationally bestselling author of *In the Time of the Butterflies* and *How the García Girls Lost Their Accents* “ A stunning work of art that reminds readers Alvarez is, and always has been, in a class of her own. ” —Elizabeth Acevedo, National Book Award-winning author of the New York Times bestseller *The Poet X* Antonia Vega, the immigrant writer at the center of *Afterlife*, has had the rug pulled out from under her. She has just retired from the college where she taught English when her beloved husband, Sam, suddenly dies. And then more jolts: her bighearted but unstable sister disappears, and Antonia returns home one evening to find a pregnant, undocumented teenager on her doorstep. Antonia has always sought direction in the literature she loves—lines from her favorite authors play in her head like a soundtrack—but now she finds that the world demands more of her than words. *Afterlife* is a compact, nimble, and sharply droll novel. Set in this political moment of tribalism and distrust, it asks: What do we owe those in crisis in our families, including—maybe especially—members of our human family? How do we live in a broken world without losing faith in one another or ourselves? And how do we stay true to those glorious souls we have lost?

This book provides the first book-length examination of the writings of Julia Alvarez, the author of *How the Garcia Girls Lost Their Accents* and nearly a dozen other books of fiction and non-fiction and one of today's most widely read Latina writers. Kelli Lyon Johnson perceptively illuminates the themes, ideals, and passions that unite these diverse and rich works, all of which explore issues of understanding and representing identity within a global society. Forced by political oppression to leave the Dominican Republic when still young, Alvarez has lived most of her adult life in the United States. Johnson argues that through her narratives, poetry, and essays, Alvarez has sought to create "a cartography of identity in exile." Alvarez inscribes a geography of identity in her work that joins theory and narrative across multiple genres to create a new map of identity and culture. By asserting that she is "mapping a country that's not on the map," Alvarez places creativity and multiplicity at the center of this emerging cartography of identity. Rather than elaborating a "hybrid" identity that surreptitiously erases distinctions and difference, Alvarez embraces the *mestizaje* mixture and accumulation of identities, experience, and diversity. To Alvarez, linguistic and cultural multiplicity represents the reality of what it means to be American, and she offers a compelling vision of both self and community in which the homeland Alvarez seeks is the narrative space of her own writings. As Johnson shows, Alvarez will continue to shape American literature by stretching the literary cartography of identity and of the Americas.

In the wondrous but not always welcoming U.S.A., their parents try to hold on to their old ways as the girls try find new lives: by straightening their hair and wearing American fashions, and by forgetting their Spanish. A collectible hardcover edition of Julia Alvarez's modern Latinx classic about four sisters known as Las Mariposas, or the Butterflies, who fought to liberate the Dominican Republic from Rafael Trujillo's dictatorship, featuring a new foreword by Maxine Hong Kingston A Penguin Vitae Edition It is November 25, 1960, and three sisters have been found near their wrecked Jeep at the bottom of a 150-foot cliff on the north coast of the Dominican Republic. The official state newspaper reports their deaths as accidental. It does not mention that a fourth sister lives. Nor does it explain that the sisters were among the leading opponents of the dictatorship of General Rafael Le ó nidas Trujillo. It doesn ' t have to. Everybody knows of Las Mariposas--the Butterflies. In this extraordinary novel, the voices of all four sisters--Minerva, Patria, Mar í a Teresa, and the survivor, Ded é --speak across the decades to tell their own stories, from secret crushes to gunrunning, and to describe the everyday horrors of life under Trujillo ' s rule. Through the art and magic of Julia Alvarez ' s storytelling, the martyred Butterflies live again in this novel of courage, love, and the human cost of political oppression.
