Our comprehensive, four-part study of animals is sure to captivate student interest. Our unit starts off with a knowledge-based presentation of twenty-six terms necessary for a proper understanding of animals. Then, students learn the important characteristics of the major vertebrate families (groups) — fish, amphibians, reptiles, birds, mammals. Next, students investigate some of the ways that animals have adapted to suit their environments. Finally, students complete a major project where they write a report on an animal. This Animal Science lesson provides a teacher and student section with a variety of reading passages, activities, crossword, word search, colouring book and answer key to create a well-rounded lesson plan.

Pretty in Pink meets Anna and the French Kiss in this charming romantic comedy Ella is nearly invisible at the Willing School, and that's just fine by her. She's got her friends - the fabulous Frankie and their sweet cohort Sadie. She's got her art - and her idol, the unappreciated 19th-century painter Edward Willing. Still, it's hard being a nobody and having a crush on the biggest somebody in the school: Alex Bainbridge. Especially when he is your French tutor, and lessons have started becoming, well, certainly more interesting than French ever has been before. But can the invisible girl actually end up with a happily ever after with the golden boy, when no one even knows they're dating? And is Ella going to dare to be that girl?

Having grown up in church, an alarming percentage of people have now traded in the timeless beliefs of Scripture for a more comfortable, postmodern faith or secular worldview. They have waded so deep into the culture that the current has swept them away with the pluralism of biblical compromise and secular indoctrination. Ready to Return explores: Why this is happening, and more importantly, what can be done about it to help bring back a godly generation New persuasive research that clearly reveals shocking details about views on the Church and faith by people in their 20s, known as millennials Conclusive evidence we cannot ignore, showing a lack of effective biblical apologetics in homes and churches, compromise with secular beliefs, secular education, and failures on the part of previous generations, contributes greatly to this dilemma. Within these pages is more than just a clinical diagnosis of the Church ' s current condition and how we got here. It ' s a simple and powerful call to return to the Church ' s fundamental mission to reach the world! If we are to bring back this lost generation, we need a proven strategy and willingness to present truth, a biblical battle plan, and spiritual soldiers.
