In the first book Darren Street completely lost his way, unjustly spent time in prison and began his killing spree of his enemies. That could have been called Justice Lost, the second book continued along that way in a deeply twisted and evil way. That book was titled Justice on Fire, upset me and I almost didn't read this third book. I felt Pratt had turned Darren Street into a serial killer with no remorse.

Book Review: Justice Lost (Darren Street Book 3) by Scott Pratt The book starts slow - the subconscious blurry, aching dullness of PTSD from lengthy imprisonment; visions of a ghostly Mrs. Judge. Deja vu all over again seeps in.

Darren Street faces the most personal and ruthless vendetta of his life. After forfeiting years serving time for a false murder conviction, former criminal defense attorney Darren Street finally got his freedom back and is trying to build a regular life.

Darren Street faces the most personal and ruthless vendetta of his life. After forfeiting years serving time for a false murder conviction, former criminal defense attorney Darren Street finally got his freedom back and is trying to build a regular life. But when an unthinkable tragedy shatters his hard-earned normalcy, Street is left reeling from the devastating blow. As the criminal-justice system refuses to dispense justice, he sets out--without mercy--after the man responsible. Unwilling to stop at simply righting one wrong, Street decides to dust off his legal skills and dive back in--this time to unseat the district attorney general in Knoxville, whose callous indifference nearly let a man get away with murder. Now navigating a broken establishment already steeped in corruption, Street will find the retribution and redemption he so desperately needs--unless it draws him even deeper into the very chaos that derailed his life in the first place.

Former defense attorney Darren Street is desperately trying to put his life back together after spending two years in a maximum-security prison for a murder he didn't commit. He's rebuilding his law practice, reconnecting with his son, and falling more deeply in love with his girlfriend, fellow attorney Grace Alexander. But the past casts a long shadow, and for Street, there's no outrunning it. Tormented by nightmares and violent mood swings, Street is seeking treatment for PTSD when a new trauma shakes his world: his mother is killed in an explosion, but the police believe Street was the intended target. Payback from an old enemy, or the calling card of a deadly new foe? Whoever's behind it, Street begins to lose his grip on reality and decides to take matters in his own hands. And the law won't stop him from revenge. Justice has a new name: Darren Street.

Winner of the 2018 Edgar Award for Best Novel One of CrimeReads's Best Novels of the Decade A "heartbreakingly resonant" (USA Today) thriller about the explosive intersection of love, race, and justice from the author of *Heaven, My Home* When it comes to law and order, East Texas plays by its own rules--a fact that Darren Mathews, a black Texas Ranger, knows all too well. Deeply ambivalent about growing up black in the lone star state, he was the first in his family to get as far away from Texas as he could. Until duty called him home. When his allegiance to his roots puts his job in jeopardy, he travels up Highway 59 to the small town of Lark, where two murders--a black lawyer from Chicago and a local white woman--have stirred up a hornet's nest of resentment. Darren must solve the crimes--and save himself in the

Read Free Justice Lost Darren Street Book 3

process--before Lark's long-simmering racial fault lines erupt. From a writer and producer of the Emmy winning Fox TV show Empire, Bluebird, Bluebird is a rural noir suffused with the unique music, color, and nuance of East Texas. "In Bluebird, Bluebird Attica Locke has both mastered the thriller and exceeded it." --Ann Patchett

Burned out defense attorney Joe Dillard, against his better judgment, takes the case of Angel Christian, a waitress in a strip club, who is accused of stabbing a preacher to death in a Tennessee motel--a case that is linked to his own deeply troubled sister and a vindictive detective. Original.

In this "captivating" crime novel (People), Texas Ranger Darren Mathews is on the hunt for a missing child -- but it's the boy's family of white supremacists who are his real target. 9-year-old Levi King knew he should have left for home sooner; now he's alone in the darkness of vast Caddo Lake, in a boat whose motor just died. A sudden noise distracts him - and all goes dark. Darren Mathews is trying to emerge from another kind of darkness; after the events of his previous investigation, his marriage is in a precarious state of re-building, and his career and reputation lie in the hands of his mother, who's never exactly had his best interests at heart. Now she holds the key to his freedom, and she's not above a little maternal blackmail to press her advantage. An unlikely possibility of rescue arrives in the form of a case down Highway 59, in a small lakeside town where the local economy thrives on nostalgia for ante-bellum Texas - and some of the era's racial attitudes still thrive as well. Levi's disappearance has links to Darren's last case, and to a wealthy businesswoman, the boy's grandmother, who seems more

Read Free Justice Lost Darren Street Book 3

concerned about the fate of her business than that of her grandson. Darren has to battle centuries-old suspicions and prejudices, as well as threats that have been reignited in the current political climate, as he races to find the boy, and to save himself. A Best Book of the Year New York Times Houston Chronicle NPR Wall Street Journal Milwaukee Journal-Sentinel Book Page Financial Times Kirkus SheReads Sunday Times LitHub Guardian Book Riot South Florida Sun Sentinel Longlisted for the Orwell Political Fiction Book Prize

Determined to convict two Goth teens who brutally murdered a family in rural Tennessee, prosecutor Joe Dillard risks everything when he discovers that there was someone else involved in the killings--a woman named Natasha whom the teens refuse to implicate, fearing for their lives. Original.

Darby Kane thrills with this twisty domestic suspense novel that asks one central question: shouldn't a dead husband stay dead? Lila Ridgefield lives in an idyllic college town, but not everything is what it seems. Lila isn't what she seems. A student vanished months ago. Now, Lila's husband, Aaron, is also missing. At first these cases are treated as horrible coincidences until it's discovered the student is really the third of three unexplained disappearances over the last few years. The police are desperate to find the connection, if there even is one. Little do they know they might be stumbling over only part of the truth. With the small town in an uproar, everyone is worried about the whereabouts of their beloved high school teacher. Everyone except Lila, his wife. She's definitely confused about her missing husband but only because she was the last person to see his body, and now it's gone.

Russell Mann is one of the brightest young talents in the National Basketball Association, and he's on the verge of signing a new contract worth \$100 million or more. But people close to him keep turning up dead. In the third installment of the bestselling Billy Beckett Series, Billy finds himself representing the troubled star, a young man he has shepherded from the tough streets of the Bronx to the bright lights of the NBA's Orlando Magic. Despite Billy's guidance, violence seems to stalk Russell at every turn, and the agent unwittingly finds himself tangled in a web of death and deceit. Blackmailed and confronted with the prospect of forfeiting millions, Billy must answer a terrifying question: should he choose his client or his conscience? In a riveting novel layered with twists and intrigue, Billy must successfully navigate a dark path full of haunting secrets, some old and some new. "Pratt's richly developed characters are vivid and believable?" - Publisher's Weekly

In this "heart-clutching psychological thriller" (People) from an author who Stephen King calls "an absolute master," a young female police officer faces danger on all fronts—from a clever victim of abuse, skeptical colleagues on the force, and even her own father. Philomena McCarthy is an ambitious police officer with the elite Metropolitan Police in London. The estranged daughter of a notorious and powerful mobster, she has defied the odds to follow her dream. On a routine patrol, Philomena responds to a domestic violence call and rescues a bloodied young woman, Tempe Brown, who is the mistress of a decorated and intimidating London detective, Darren Goodall. The incident is hushed up by the police to protect Goodall's reputation, but Philomena has now made a dangerous enemy who is afraid of no one.

Read Free Justice Lost Darren Street Book 3

Philomena and Tempe strike up a tentative friendship, determined to protect each other from Goodall, but something isn't quite right about the stories Tempe tells and the secrets she keeps. Yet the young officer is drawn into Tempe's world, unsure of what is real or invented. After a bungled break-in and an unsolved murder, Philomena finds herself trapped—with her career, her impending wedding, and her very survival in doubt. Robotham's brilliant ability to render complex characters, both good and bad, keeps readers sympathetic, yet unsure of whom to trust, "maintain[ing] an air of excruciating suspense" (The Washington Post) until the very last page.
