One of the great pioneers of Zen in America, Dainin Katagiri had a teaching style that was at once powerful, gentle, and sometimes even casual. For his student, Dosho Mike Port, some of Katagiri's most profound teachings came in the simple moments of everyday interactions. *Keep Me in Your Heart a While* is built around a series of these vivid, truth-revealing incidents that evoke the feel of ancient Zen koans. Each chapter starts with an encounter with Katagiri and unfolds from there, touching on subjects such as the nature and the purpose of Zen, the dynamic and working of realization, and the evolving relationship between teacher and student. In sharing what it was like to train with one of the first generation of American Zen teachers, Dosho Mike Port preserves and revitalizes this incredible path, making it available to the next generation of seekers.

(Book). Warren Zevon songs are like chapters in a great American novel. Its story lies in the heart of his and our psyche. The lines are blurred. We never seem to know if we are looking in a mirror or peering through a window; we only know that when we listen we see something. The music sets the scene his voice a striking baritone, its narrator our guide through a labyrinth of harrowing narratives. The plot unfolds without subtlety; each musical and lyrical arc awakens imagination. In *Accidentally Like a Martyr: The Tortured Art of Warren Zevon*, music journalist James Campion presents 13 essays on seminal Zevon songs and albums that provide context to the themes, inspirations, and influence of one of America's most literate songwriters. In-depth interviews with Zevon's friends and colleagues provide first-person accounts of how the music was lived, composed, recorded, and performed. Longtime fans of this most uniquely tortured artist, as well as those who want to discover his work for the first time, will get inside the mind, talent, and legacy of the wildly passionate Excitable Boy.

Excerpt: "A Bullet for Ramona" is a song from Warren Zevon's first album, Wanted Dead or Alive. The song is about, ostensibly, a man shooting his lover in a fit of rage after discovering that she had been cheating on him with a drifter. The song itself is sung as a letter to the man's mother, explaining why he shot Ramona and why he now has to flee across the Rio Grande. In many ways this song foreshadow Zevon's preoccupations with romantic loss and noir-ish violence that appear in many of his later works. The song first appeared on Zevon's 1969 album, and a demo take was released as part of The First Sessions in 2003. Note: the text of this song's lyrics is not under the same copyright...
