Ella is an acidic observer of society who enjoys masquerading in different disguises. She wears masks, cross dresses and does spy stuff to get around her stepfather's insane restrictions. Of course you can see the ending a mile away but overall 'Kind Ella' is much better than most frou frou romance.

A hot historical from 5 time USA Today bestselling author Jess Michaels Born mute, Ewan Hoffstead, Duke of Donburrow was abused by his wicked father and wretched younger brothers until an uncle swept in to save the day. Still, he carries the scars of his past with him, including a terrible belief that perhaps a "person like him" truly doesn't deserve the title his uncle fought so hard for him to earn. Recently widowed Charlotte may be the proper Countess of Portsmouth to Society, but when she is around Ewan, she still feels like the enraptured little girl who met him decades before when her brother was best friends with him and his cousin. A planned trip to spend Christmas with their families at Ewan's estate reunites the old friends. But when a storm keeps the others from arriving on time, Charlotte decides to stop living in fear and pursue the man she has desired and loved her entire life. Ewan cannot resist her seduction, but he fears giving in to his heart. Especially when the family that disposed of him returns and threatens not only his life, but that of the woman he loves. Length: Full Length Novel (70,000 words) Heat Level: Might burn your swiping finger This book can be read as a standalone but is the fourth book in the 1797 Club series.

Leading actor, producer and director Channing Tatum's picture book debut, The One and Only Sparkella is a charming ode to self-esteem and the love between a father and daughter--illustrated by Kim Barnes. Ella is excited for her first day at a new school. Glimmering pencil case? Check! Shimmering backpack? Check! Glittery ribbons in her hair? Check! She can't wait to meet the other kids and share her sparkly personality. But her first day doesn't go quite as planned: Her new classmates don't like her disco-ball shoes, her FB&J-with-sprinkles sandwich, or her rainbow-y unicorn painting. Ella decides to try to be less sparkly at school the next day so the other kids won't make fun of her. But with a little help from her dad, she soon learns the importance of just being herself, no matter what other people say.

Ella's counting the days until the first day of school ... but not because she's eager to start! On the contrary, as the littlest elephant on Elephant Island, she's terribly nervous about the other kids she'll meet. Then she receives a beautiful red hat that belonged to her grandmother -- her new lucky charm. Big mean Belinda at school teases her for it, calling her "Ella the Elegant Elephant." But Ella's brave enough to hold on to her hat, and in the end, the hat (and her heart) save the day. With warm, rich pictures and a charming main character, ELLA is sure to be a new favorite.
