Now available as an eBook, a simple step-by-step guide that allows you to realistically apply the Law of Attraction to improve your life and achieve the next level of practical understanding. The Law of Attraction is one of the most popular topics in the area of self-help. At the same time, it is also one of the most misunderstood. Why is that? There are three main reasons: First, there are hundreds of Law of Attraction books available, and most either rehash the same information or completely differ on what they teach, which results in confusion. Second, the big-name "experts" on the Law of Attraction never teach the real secrets in their books, as they mainly try to convince you to enroll in their expensive courses, which supposedly teach the real secrets. And lastly, the majority of Law of Attraction books are either motivational and/or inspirational while lacking practicality. In this economic recession, people more than ever need the Law of Attraction to find a new job, earn more money, or simply to improve their lives. What exactly is the Law of Attraction? Plain and simple, it is the process of tapping into the hidden powers of our subconscious mind to "manifest" what we desire into our physical reality. Total Law Of Attraction explains in plain language that it's our emotions, not so much our thoughts, that play a greater role in attracting what we want. Total Law Of Attraction avoids the need to search through many different Law of Attraction books to get the most important information. In one book, Dr. David Che has made the most powerful secrets of the Law of Attraction accessible for any individual who seeks them.

THE LAW OF ATTRACTION WORKS...IF YOU WORK IT! The fastest way to manifest your desires is by implementing a Law of Attraction action plan. Since everything in the Universe is energy, the necessary ingredient for manifestation is the consistent mental and emotional energy that you emit in the form of thoughts, feelings, words and actions. It's very important to remember that the phrase "Law of Attraction" contains the word ACTION. Too many people on this spiritual path get caught up reading lots of books about the Law of Attraction, attending numerous seminars and hearing lectures about the Universal Law, but they fail to use the powerful tools that will translate their desires from the invisible world of cause to the visible world of manifestation. There are many books and audio programs on the market that explain what the Law of Attraction is and what it does, but few that actually teach people how to use this creative power on a daily basis. As a result, this book will provide you with advanced manifestation techniques, strategies, insights, and success stories that will help you quickly manifest your desires with the Law of Attraction. Many students of the Law of Attraction have expressed concerns about being overwhelmed with all the manifestation books and study materials on the market. A friend recently told me: "I went to a book store and saw so many Law of Attraction books that I couldn't decide which to buy." Another friend said, "I know what the Law of Attraction is and what it does, but I am having trouble understanding what I need to do each day to make it work for me." I responded by telling my friend that she is not alone with her concerns. There is a lot of information on the market explaining what the Law of Attraction does, yet much of it fails to explain what must be done on a daily basis to make it work effectively. As a result of these concerns, I have written this book to guide readers through a series of real-life, daily scenarios that demonstrate what should be done each day in order to use the Law of Attraction effectively. The people interviewed for this book are among hundreds of people whom I have met during the course of my spiritual journey. I have met these wonderful people at seminars, workshops, lectures, churches, spiritual centers and through online forums on spirituality and personal growth. These enlightened individuals are among my growing community of spiritual friends who have shared their insights and experiences with me, and who comprise a growing support group of like-minded people who understand the importance of self-empowerment and spiritual evolution.
