A New York Times Best Seller!The world of Minecraft comes to life in this thrilling adventure for boys and girls! Gameknight999 loved Minecraft, but above all else, he loved to grief—to intentionally ruin the gaming experience for other users. When one of his father ' s inventions teleports him into the game, Gameknight is forced to live out a real-life adventure inside a digital world. What will happen if he ' s killed? Will he respawn? Die in real life? Stuck in the game, Gameknight discovers Minecraft ' s best-kept secret, something not even the game ' s programmers realize: the creatures within the game are alive! He will have to stay one step ahead of the sharp claws of zombies and pointed fangs of spiders, but he ' ll also have to learn to make friends and work as a team if he has any chance of surviving the Minecraft war his arrival has started. This action-packed tribute to the worldwide computer game phenomenon is a runaway publishing smash and the perfect companion for Minecraft fans of all ages.

Korean: A Comprehensive Grammar is a reference to Korean grammar, and presents a thorough overview of the language, concentrating on the real patterns of use in modern Korean. The book moves from the alphabet and pronunciation through morphology and word classes to a detailed analysis of sentence structures and semantic features such as aspect, tense, speech styles and negation. Updated and revised, this new edition includes lively descriptions of Korean grammar, taking into account the latest research in Korean linguistics. More lower-frequency grammar patterns have been added, and extra examples have been included throughout the text. The unrivalled depth and range of this updated edition of Korean: A Comprehensive Grammar makes it an essential reference source on the Korean language.

For use in schools and libraries only. A collection of 158 mini-mysteries in which readers play Dr. Watson to master-detective Dr. Haledjian.

A timeless romance from New York Times bestseller Julie Garwood, a tale for mothers to share with their daughters, and for women to remember what it feels like to fall in love for the very first time. Summer never meant to lie. She just wanted to keep the most perfect guy she ever met interested in her. She had been surprised when David began hanging out with her every day... and dizzy with happiness when he kissed her. David seemed to like her unconventional Irish family, even her eccentric Grandpa. Everything was going great - until Ann entered the picture. She collected boys like trophies. How could Summer compete with someone like that? Before she knew it, Summer was boasting to David about her passion for long-distance running. She never dreamed he'd enter them in a six-mile race. Summer dreaded the moment when he would discover the truth: she couldn't run six blocks. And the flirtatious Ann was already working on David. Then Summer's Grandpa came up with a plan that was just crazy enough to save the day....

"It's been over a hundred years since man was finally able to stop the zombie invasion. Mankind has begun to rebuild. Another threat, one more insidious, now threatens the populace. One man must once again rise to the challenge. Michael Talbot finds himself reluctantly thrust into the forefront of a war he wants nothing to do with." --Back cover.

Now that the FCC has changed the laws governing pirate radio and video stations, more and more people across the country are starting broadcasts from their homes. Of course transmitting equipment is very expensive, but now you can build your own transmitters for a fraction of the cost of purchasing. By reading about and building the over thirty projects in Pirate Radio and Video, you can construct your own station with a minimum investment for maximum learning. With projects for UHF, VHF, AM and FM transmitters, this book covers the gamut of popular bands and outputs. Not only will you learn how to build your own transmitters, but also how to troubleshoot problems, test outcomes and even synthesize several types of equipment into a powerful and unique system. Written with the electronics hobbyist in mind, each project includes basic diagrams, complete instructions as well as advice on how to make each project work best for you. The list of projects includes over several different FM radio transmitters, AM radio transmitters, microwave transmitters, shortwave transmitters, UHF video transmitters, VHF video transmitters as well as nearly a dozen special projects for test equipment and system set-ups. If you are interested in setting up your own radio or television broadcasting system, you will need a copy of this book to do it! Learn how to build your own UHF, VHF, AM and FM transmitters, saving thousands of dollars over buying equipment at a specialty store Start broadcasting your own video or radio signals from your self-built station Experience the fun and learning that radio and video production and broadcasting gives the whole family

What happens if the world unexpectedly stands still for a moment? If, just like that, you are given a bit of time by sheer luck? This is exactly what happens in one of the biggest and busiest cities of the world, as a small snail crosses the street and makes traffic stop for half a day. A book about things that you always wanted to do but never had the time for. Reviews"charming"-Kirkus Reviews"A proposal to improve the world"-Westfälische Nachrichten"humorous"-Ehrensenn"interesting not just in its story or its message, but also in how it delivers that message. The colors and backgrounds have a rich sense of texture, unlike the majority of children's books."-ForeWord Clarion Reviews"fabulous"-Spiegel Online"A creative bedtime story, which is also suitable for stressed adults. [...] In the bustle of the city, the animals seize the moment and become aware of how beautiful life can be without stress and hustle."-Designers in Action"sets out to demonstrate what can happen when we're true to ourselves, when we seize our day, when we live in the present, when we actually feel and enjoy the weather, when we are spontaneous, when we break from routine, when we defy expectation, and how these rather small acts of joy can inspire others"-Amazon.com Customer Review"beautiful"-Geizkragen"The story of a little snail who triggers big changes"-Münstersche Zeitung
