Solutions
If the washing machine detects too many suds, it displays this error code and adds a suds reducing cycle. This adds about 2 hours to the cycle time. If too many suds are detected during spinning, the washing machine stops to help prevent leaking. Recommended solution: Do not add more than the manufacturer's recommended amount of detergent. Reduce the amount of detergent used until there is no more sudsing.

Solutions does not solve the problem or if you don ' t have access to these parts you should contact a mechanic or the manufacturer.

Manuals for LG Washing Machines - Manuals - Manuall

The most common reason for a washing machine overfilling with water is a broken water-level pressure switch. The pressure switch uses air pressure to sense the water level in the machine and tells your washer when to stop. If the switch has broken or is blocked then the machine will not know when to stop filling.

For Cheryl Mendelson, laundering is the best part of housekeeping. It ' s full of physical pleasures—the look of favorite clothes restored to freshness and beauty, the tactile satisfaction of crisp linens in beautifully folded stacks. Good laundering preserves things you love and protects your pocketbook. It doesn ' t take much time or effort. What it takes is knowledge, and Laundry is the comprehensive, entertaining, and inspiring book on the art of laundering. Culled from the bestselling Home Comforts, with revised and updated information and a new introduction, Laundry is an indispensable guide to caring for all the cloth in one ' s home: from kitchen rags to bedding, hand-washables, and baby clothes to vintage linens.

Solutions offers detailed guidance on when to disregard labels, removing stains, making environmentally informed choices, sewing, and storing clothing and fabrics. A much-needed antidote to the standard-issue how-to manual, *Laundry* celebrates the satisfactions of ironing, folding, and caring for clothes and linens. Both pragmatic and eloquent, Mendelson provides beginning and veteran homemakers with a seamless combination of reliable instruction, time-tested advice, and fascinating personal narrative. As a farm girl in Pennsylvania, Mendelson—who is a philosopher, lawyer, and professor, as well as a homemaker, wife, and mother—received a classic domestic education from her
