Hannah Montana - Life's What You Make It Lyrics | AZLyrics.com

life is what you make it A cliché of debatable validity. On one side, this phrase may be seen to be reassuring, allowing a person to accept the ills of their life, whatever those might be, with grace, knowing that with effort, or wisdom, those ills can be surmounted, or even changed into something positive.

Urban Dictionary: life is what you make it

The heart-warming story of a young girl who struggles against all odds, when life as she knows it is disrupted What would you do if the perfect life you have is torn asunder? Set across two cities in India in the early eighties, Life Is What You Make It is a gripping account of the years that change young Ankita Sharma's life.

What would you do if destiny twisted the road you took? What if it threw you to a place you did not want to go? Would you fight, would you run or would you accept? Set across two cities in India in the early eighties, Life is What You Make it is a gripping account of a few significant years of Ankita ' s life. Ankita Sharma has the world at her feet. She is young, good-looking, smart and tones of friends and boys swooning over her. She also manages to get into a premier management school for her MBA. Six months later , she is a patient in a mental health hospital. Life has cruelly and coldly snatched that which meant the most to her and she must now fight to get it all back. It is a deeply moving and inspiring account of growing up, of the power of faith and how determination and an indomitable spirit can overcome even what destiny throws at you. A tale, at its core a love-story that makes us question our beliefs about ourselves and our concept of sanity, and forces us to believe that life is truly what one makes it.

From composer, musician, philanthropist--and son of Warren Buffett--comes a warm, wise, and inspirational book that expounds on the strong set of values given to him by his trusting and broadminded mother, his industrious and talented father, and the many life teachers he has met along the way.

In this New York Times bestselling “ imperative how-to for creativity ” (Nick Offerman), Adam Savage—star of Discovery Channel ' s Mythbusters—shares his golden rules of creativity, from finding inspiration to following through and successfully making your idea a reality. Every Tool ' s a Hammer is a chronicle of my life as a maker. It ' s an exploration of making, but it ' s also a permission slip of sorts from me to you. Permission to grab hold of the things you ' re interested in, that fascinate you, and to dive deeper into them to see where they lead you. Through stories from forty-plus years of making and molding, building and breaking, along with the lessons I learned along the way, this book is meant to be a toolbox of problem solving, complete with a shop ' s worth of notes on the tools, techniques, and materials that I use most often. Things like: In Every Tool There Is a Hammer—don ' t wait until everything is perfect to begin a project, and if you don ' t have the exact right tool for a task, just use whatever ' s handy; Increase Your Loose Tolerance—making is messy and filled with screwups, but that ' s okay, as creativity is a path with twists and turns and not a straight line to be found; Use More Cooling Fluid—it prolongs the life of blades and bits, and it prevents tool failure, but beyond that it ' s a reminder to slow down and reduce the friction in your work and relationships; Screw Before You Glue—mechanical fasteners allow you to change and modify a project while glue is forever but sometimes you just need the right glue, so I dig into which ones will do the job with the least harm and best effects. This toolbox also includes lessons from many other incredible makers and creators, including: Jamie Hyneman, Nick Offerman, Pixar director Andrew Stanton, Oscar-winner Guillermo del Toro, artist Tom Sachs, and chef Traci Des Jardins. And if everything goes well, we will hopefully save you a few mistakes (and maybe fingers) as well as help you turn your curiosities into creations. I hope this book serves as “ creative rocket fuel ” (Ed Helms) to build, make, invent, explore, and—most of all—enjoy the thrills of being a creator.

Dreams can come true, you just have to believe... All new from Irish bestselling author Sian O'Gorman 'Utterly irresistible and joyful - The Perfect Summer Read!' - bestselling author, Faith Hogan After 10 years in London, working in a stressful City firm, Liv O ' Neill returns home to Sandycove, a picturesque seaside village, just outside Dublin to care for her mother after a fall. Whilst Liv reconnects with friends and family, she is amazed by Sandycove ' s thriving community spirit with its artisan shops, delis and cafes - it ' s not quite the place she left behind. As village life begins to creep under her skin, Liv is forced to confront the things that drove her away. Can Liv balance her past,

present and future and find her own happy place? And will a handsome young doctor help her make a decision about the life she really wants? Suddenly her old life in London begins to seem extremely unappealing and Liv is forced to use her family ' s past in order to forge a brand new future.

Life Is What You Make It is about the author's experience with God and the universe, on how he accomplished his big dreams in life, and the lessons he learned along the way. He believes that even though his goals and problems may be different from yours, a solution is available for you just as it was for him. He doesn't believe that our dreams truly come from us alone but from the creator of the universe. If HE put it in us, HE has definitely a plan on how to accomplish it. His part, just like us, is to listen and follow without prejudice and to stop being the one who wants to be in control all the time. If this book helps the readers see that God's way does work, then the author has done his job.

What if your mind is your greatest enemy? What if you were living your worst nightmare? How would you cope? Ankita has fought a mental disorder, been through hell, and survived two suicide attempts. Now in Mumbai, surrounded by her loving and supportive parents, everything seems idyllic. She is not on medication. She is in a college she loves, studying her dream subject: Creative Writing. She has made friends with the bubbly Parul and the glamorous Janki. At last leading a ' normal life ' , she immerses herself in every bit of it – the classes, her friends, her course and all the carefree fun of college. Underneath the surface, however, there is trouble brewing. A book she discovers in her college library draws her in, consumes her and sends her into a terrifying darkness that twists and tears her apart. To make matters worse, a past boyfriend resurfaces, throwing her into further turmoil. Armed with only a pen and a journal, she desperately fights with every ounce of strength she has. But can she escape her thoughts? Will Ankita survive the ordeal a second time around? What does life have in store for her? Preeti Shenoy's compelling sequel to the iconic bestseller Life is What You Make It chronicles the resilience of the human mind and the immense power of positive thinking. The gripping narrative demonstrates with gentle wisdom how by changing our thoughts, we can change our life itself.

#1 NEW YORK TIMES BEST SELLER • At last, a book that shows you how to build—design—a life you can thrive in, at any age or stage Designers create worlds and solve problems using design thinking. Look around your office or home—at the tablet or smartphone you may be holding or the chair you are sitting in. Everything in our lives was designed by someone. And every design starts with a problem that a designer or team of designers seeks to solve. In this book, Bill Burnett and Dave Evans show us how design thinking can help us create a life that is both meaningful and fulfilling, regardless of who or where we are, what we do or have done for a living, or how young or old we are. The same design thinking responsible for amazing technology, products, and spaces can be used to design and build your career and your life, a life of fulfillment and joy, constantly creative and productive, one that always holds the possibility of surprise.

Insights and inspiration for anyone who makes art (or anything else) The Ultimate BuzzFeed Books Gift Guide - Official Selection From the creative mind and heart of designer Adam J. Kurtz comes this upbeat rallying cry for creators of all stripes. Expanding on a series of popular essays, this handwritten and heartfelt book shares wisdom and empathy from one working artist to others. Perforated tear-and-share pages make it easy to display the most crucial reminders or to pass a bit of advice on to someone who needs it. As wry and cheeky as it is empathic and empowering, this deceptively simple, vibrantly full-color book will be a touchstone for writers, artists, entrepreneurs, and anyone else who wants to be more creative—even when it would be easier to give up and act normal.

• What if you dreamt to live in the luxury of a castle and find yourself landing an enclosed cell? • What if your dreams are shattered by your own thoughts and actions? • What if your destiny puts you in a situation that is beyond your own imagination? Thoughts make the foundations of your life because they are responsible for each and every decision and action you take, for each and every choice you make, in order to chase your dreams. Then, negative thoughts can have a devastating effect on your life, and can ruin your plans for happier living. With the simple act of choosing the wrong thought, you can be deviated from your life ' s purpose. It could trap you in a situation you never wanted to be in. Chase Your Life Dreams is a guide to choosing the right, positive thoughts over the negative ones, to find the true purpose of your life, to create your own destiny, and to lead a meaningful and joyous life.
