This best-selling dictionary is now in its 4th edition. Specifically written for students of language teaching and applied linguistics, it has become an indispensable resource for those engaged in courses in TEFL, TESOL, applied linguistics and introductory courses in general linguistics. Fully revised, this new edition includes over 350 new entries. Previous definitions have been revised or replaced in order to make this the most up-to-date and comprehensive dictionary available. Providing straightforward and accessible explanations of difficult terms and ideas in applied linguistics, this dictionary offers:
Nearly 3000 detailed entries, from subject areas such as teaching methodology, curriculum development, sociolinguistics, syntax and phonetics.
Clear and accurate definitions which assume no prior knowledge of the subject matter
helpful diagrams and tables
cross references throughout, linking related subject areas for ease of reference, and helping to broaden students' knowledge
The Dictionary of Language Teaching and Applied Linguistics is the definitive resource for students.

The Longman Dictionary of American English is the most complete updated dictionary for learners of English.

Idioms carry an aura of mystery for all speakers, owing to the discrepancy between their literal and non-literal meanings. This book clears up some of these ambiguities, by examining a series of expressions that have derived from the most instinctive and essential of all human behaviour: eating and drinking. The quantity and quality of 276 food and drink idioms are explored, investigating two hundred and fifty years of English monolingual lexicography and forty years of usage as attested by contemporary linguistic corpora. The examination of these idioms' syntactic, semantic, pragmatic, historical, social and cultural characteristics will foster in speakers a whole new approach to idiom comprehension and usage, and will constitute thought-provoking ground for further research in other idiom domains.
