Luka and the Fire of Life is born of that insistence. It is not exactly a sequel to the earlier book, but it is a companion. The same family is at the heart of both books, and in both books a son must rescue a father. Beyond those similarities, however, the two books inhabit very different imaginative milieux.

Luka and the Fire of Life was disappointing. Clearly Rushdie loves words. It is full of puns. Clearly he knows his myths and theology. There are all kinds of god and minor deities across many societies and races. So Luka is off on a quest to save his father. As I read I ws reminded of The Wizard of Oz, The Hobbit, and even the Percy Jackson series.

The original stage adaptation of Salman Rushdie’s Midnight’s Children, winner of the 1993 Booker of Bookers, the best book to win the Booker Prize in its first twenty-five years. In the moments of upheaval that surround the stroke of midnight on August 14--15, 1947, the day India proclaimed its independence from Great Britain, 1,001 children are born--each of whom is gifted with supernatural powers. Midnight’s Children focuses on the fates of two of them--the illegitimate son of a poor Hindu woman and the male heir of a wealthy Muslim family--who become inextricably linked when a midwife switches the boys at birth. An allegory of modern India, Midnight’s Children is a family saga set against the volatile events of the thirty years following the country’s independence--the partitioning of India and Pakistan, the rule of Indira Gandhi, the onset of violence and war, and the imposition of martial law. It is a magical and haunting tale, of fragmentation and of the struggle for identity and belonging that links personal life with national history. In collaboration with Simon Reade, Tim Supple and the Royal Shakespeare Society, Salman Rushdie has adapted his masterpiece for the stage.

"Life is fury. Fury-sexual, Oedipal, political, magical, brutal- drives us to our finest heights and coarsest depths. This is what we are, what we civilize ourselves to disguise-the terrifying human animal in us, the exalted, transcendent, self-destructive, untrammled lord of creation. We raise each other to the heights of joy. We tear each other limb from bloody limb." Malik Solanka, historian of ideas and dollmaker extraordinaire, steps out of his life one day, abandons his family without a word of explanation, and flees London for New York. There's a fury within him, and he fears he has become dangerous to those he loves. He arrives in New York at a time of unprecedented plenty, in the highest hour of America's wealth and power, seeking to "erase" himself. Eat me, America, he prays, and give me peace. But fury is all around him. Cabdrivers spout invective. A serial killer is murdering women with a lump of concrete. The petty spats and bone-deep resentments of the metropolis engulf him. His own thoughts, emotions, and desires, meanwhile, are also running wild. A tall, green-eyed young blonde in a D'Angelo Voodoo baseball cap is in store for him. As is another woman, with whom he will fall in love and be drawn toward a different fury, whose roots lie on the far side of the world. Fury is a work of explosive energy, at once a pitiless and pitch-black comedy, a profoundly disturbing inquiry into the darkest side of human nature, and a love story of mesmerizing force. It is also an astonishing portrait of New York. Not since the Bombay of Midnight's Children have a time and place been so intensely and accurately captured in a novel. In his eighth novel, Salman Rushdie brilliantly entwines moments of anger and frenzy with those of humor, honesty, and intimacy. Fury is, above all, a masterly chronicle of the human condition.

NEW YORK TIMES BESTSELLER • A modern American epic set against the panorama of contemporary politics and culture—a hurtling, page-turning mystery that is equal parts *The Great Gatsby* and *The Bonfire of the Vanities* NAMED ONE OF THE BEST BOOKS OF THE YEAR BY NPR • PBS • HARPER’S BAZAAR • ESQUIRE • FINANCIAL TIMES • THE TIMES OF INDIA On the day of Barack Obama’s inauguration, an enigmatic billionaire from foreign shores takes up residence in the architectural jewel of “the Gardens,” a cloistered community in New York’s Greenwich Village. The neighborhood is a bubble within a bubble, and the residents are immediately intrigued by the eccentric newcomer and his family. Along with his improbable name, untraceable accent, and unmistakable whiff of danger, Nero Golden has brought along his three adult sons: agoraphobic, alcoholic Petya, a brilliant recluse with a tortured mind; Apu, the flamboyant artist, sexually and spiritually omnivorous, famous on twenty blocks; and D, at twenty-two the baby of the family, harboring an explosive secret even from himself. There is no mother, no wife; at least not until Vasilisa, a sleek Russian expat, snags the septuagenarian Nero, becoming the queen to his king—a queen in want of an heir. Our guide to the Golden’s world is their neighbor René, an ambitious young filmmaker. Researching a movie about the Golden’s, he ingratiates himself into their household. Seduced by their mystique, he is inevitably implicated in their quarrels, their infidelities, and, indeed, their crimes. Meanwhile, like a bad joke, a certain comic-book villain embarks upon a crass presidential run that turns New York upside-down. Set against the strange and exuberant backdrop of current American culture and politics, *The Golden House* also marks Salman Rushdie’s triumphant and exciting return to realism. The result is a modern epic of love and terrorism, loss and reinvention—a powerful, timely story told with the daring and panache that make Salman Rushdie a force of light in our dark new age. Praise for *The Golden House* “[A] modern masterpiece . . . telling a story full of wonder and leaving you marveling at how it ever came out of the author’s head.”—Associated Press “Wildly satiric and yet piercingly real . . . If F. Scott Fitzgerald, Homer, Euripides, and Shakespeare collaborated on a contemporary fall-of-an-empire epic set in New York City, the result would be *The Golden House*.”—Poets & Writers “A tonic addition to American—no, world!—literature . . . a Greek tragedy with Indian roots and New York coordinates.”—San Francisco Chronicle
