Fascinating, engrossing, and relentlessly intelligent, it ultimately moves listeners with a denouement of surprising humanity and redemptive faith.

### **Lying on the Couch: Amazon.co.uk: Yalom, Irvin D ...**

Lying on the Couch was his third novel and I think he was still working out how to switch over from writing technical works to writing fiction. It wasn't bad; in fact it is a thought provoking look at the inner workings of professional p Irvin D Yalom is an emeritus professor of psychiatry at Stanford University who also writes fiction.

### **Lying on the Couch by Irvin D. Yalom - Goodreads**

Irvin D. Yalom, M.D., is the author of Love's Executioner, Momma and the Meaning of Life, Lying on the Couch, and When Nietzsche Wept, as well as several classic textbooks on psychotherapy, including Existential Psychotherapy and the most widely used work on group therapy, The Theory and Practice of Group Therapy.

From the highly respected psychotherapist and best-selling author of Love's Executioner and When Nietzsche Wept comes this long-awaited second novel, an ingenious blending of psychological insight and fictional invention. It is the "twilight of the shrinks" disciples of Freud and Jung sandbag against the rising tide of new age therapies and wring their hands over the unreliable narratives of patients who "lie" on the couch.

They literally "lie on the couch," and both Lash and Streider are shown to be extremely vulnerable to the dishonest communications of their patients, despite extensive training and understanding, a risk in all therapy. *Lying on the Couch* is a satiric novel, exposing many of the foibles of psychoanalysis and existential psychotherapy. It is also about ethics - the so-called slippery slope of boundary violations as therapists are tempted to violate codes of behavior.

## **Lying on the Couch - Reviews - Irvin D. Yalom, MD**

This novel features a lot of lying (in more than one sense) on or next to a couch, for most of it is set in a California where psychoanalysts, lawyers, and gamblers abound. When ambitious young analyst Ernest Lash counsels Justin Astrid to leave his wife, Carol, a hotshot attorney, she and two colleagues dream up getting back at both men by having Carol become one of Ernest's patients in order to sabotage him.

## **Lying on the Couch: A Novel by Irvin D. Yalom (Paperback ...**

I am a fan of Irvin Yalom. 'When Nietzsche Wept' was a good read and 'The Schopenhauer Cure' was excellent but *Lying on the Couch* is very poor. The first chapter (as usual with so many novels) is very good with the hero, Lash, interviewing a senior colleague about a charge of malpractice.

From the bestselling author of *Love's Executioner* and *When Nietzsche Wept* comes a provocative exploration of the unusual relationships three therapists form with their patients. Seymour is a therapist of the old school who blurs the boundary of sexual propriety with one of his clients. Marshal, who is haunted by his own obsessive-compulsive behaviors, is troubled by the role money plays in his dealings with his patients. Finally, there is Ernest Lash. Driven by his sincere desire to help and his faith in psychoanalysis, he invents a radically new approach to therapy -- a totally open and honest relationship with a patient that threatens to have devastating results. Exposing the many lies that are told on and off the psychoanalyst's couch, *Lying on the Couch* gives readers a tantalizing, almost illicit, glimpse at what their therapists might really be thinking during their sessions. Fascinating, engrossing and relentlessly intelligent, it ultimately moves readers with a denouement of surprising humanity and redemptive faith.

Suddenly confronted with his own mortality after a routine checkup, eminent psychotherapist Julius Hertzfeld is forced to reexamine his life and work -- and seeks out Philip Slate, a sex addict whom he failed to help some twenty years earlier. Yet Philip claims to be cured -- miraculously transformed by the pessimistic teachings of German philosopher Arthur Schopenhauer -- and is, himself, a philosophical counselor in training. Philip's dour, misanthropic stance compels Julius to invite Philip to join his intensive therapy group in exchange for tutoring on Schopenhauer. But with mere months left, life may be far too short to help Philip or to compete with him for the hearts and minds of the group members. And then again, it might be just long enough.

As the public grows disillusioned with therapeutic quick fixes, people are looking for a deeper psychotherapeutic experience to make life more meaningful and satisfying. What really happens in therapy? What promises and perils does it hold for them? No one writes about therapy - or indeed the dilemmas of the human condition - with more acuity, style, and heart than Irvin Yalom. Here he combines the storytelling skills so widely praised in *Love's Executioner* with the wisdom of the compassionate and fully engaged psychotherapist. In these six compelling tales of therapy, Yalom introduces us to an unforgettable cast of characters: Paula, who faces death and stares it down; Magnolia, into whose ample lap Yalom longs to pour his own sorrows; Irene, who learns to seek out anger and plunge into it. And there's Momma, old-fashioned, ill-tempered, who drifts into Yalom's dreams and tramples through his thoughts. At once wildly entertaining and deeply thoughtful, *Momma and the Meaning of Life* is a work of rare insight and imagination.

Bestselling writer and psychotherapist Irvin D. Yalom puts himself on the couch in a lapidary memoir *Irvin D. Yalom* has made a career of investigating the lives of others. In this profound memoir, he turns his writing and his therapeutic eye on himself. He opens his story with a nightmare: He is twelve, and is riding his bike past the home of an acne-scarred girl. Like every morning, he calls out, hoping to befriend her, "Hello Measles!" But in his dream, the girl's father makes Yalom understand that his daily greeting had hurt her. For Yalom, this was the birth of empathy; he would not forget the lesson. As *Becoming Myself* unfolds, we see the birth of the insightful thinker whose books have been a beacon to so many. This is not simply a man's life story, Yalom's reflections on his life and development are an invitation for us to reflect on the origins of our own selves and the meanings of our lives.

A haunting portrait of Arthur Rosenberg, one of Nazism's chief architects, and his obsession with one of history's most influential Jewish thinkers In *The Spinoza Problem*, Irvin Yalom spins fact and fiction into an unforgettable psycho-philosophical drama. Yalom tells the story of the seventeenth-century thinker Baruch Spinoza, whose

## Download Free Lying On The Couch Irvin D Yalom

philosophy led to his own excommunication from the Jewish community, alongside that of the rise and fall of the Nazi ideologue Alfred Rosenberg, who two hundred years later during World War II ordered his task force to plunder Spinoza's ancient library in an effort to deal with the Nazis' "Spinoza Problem." Seamlessly alternating between Golden Age Amsterdam and Nazi Germany, Yalom investigates the inner lives of these two enigmatic men in a tale of influence and anxiety, the origins of good and evil, and the philosophy of freedom and the tyranny of terror.

Why was Saul tormented by three unopened letters from Stockholm? What made Thelma spend her whole life raking over a long-past love affair? How did Carlos' macho fantasies help him deal with terminal cancer? In *Love's Executioner* psychotherapist Irvin Yalom gives detailed and deeply affecting accounts of his work with these and seven other patients. Their case histories lay bare human anxieties - isolation, fear of death or freedom, a sense of the meaninglessness of life - that few of us escape completely, and show how we can all come to terms with such fears. Throughout, Dr Yalom remains refreshingly frank about his own errors and prejudices; his book provides a rare glimpse into the consulting room of a master therapist. 'The best therapists are at least partly poets. With this riveting and beautifully written book, Yalom has joined their ranks.' Erica Jong 'Dr Yalom offers a valuable insight into the delicate process of therapy.' Sunday Telegraph 'These remarkably moving and instructive tales of the psychiatric encounter bring the reader into novel territories of the mind - and the landscape is truly unforgettable.' Maggie Scarf 'Irvin Yalom writes like an angel about the devils that besiege us.' Rollo May 'Dr Yalom is unusually honest, both with his patients and about himself.' Anthony Storr

In nineteenth-century Vienna, a drama of love, fate, and will is played out amid the intellectual ferment that defined the era. Josef Breuer, one of the founding fathers of psychoanalysis, is at the height of his career. Friedrich Nietzsche, Europe's greatest philosopher, is on the brink of suicidal despair, unable to find a cure for the headaches and other ailments that plague him. When he agrees to treat Nietzsche with his experimental "talking cure," Breuer never expects that he too will find solace in their sessions. Only through facing his own inner demons can the gifted healer begin to help his patient. In *When Nietzsche Wept*, Irvin Yalom blends fact and fiction, atmosphere and suspense, to unfold an unforgettable story about the redemptive power of friendship.

The many thousands of readers of the best-selling *Love's Executioner* will welcome this paperback edition of an earlier work by Dr. Irvin Yalom, written with Ginny Elkin, a pseudonymous patient whom he treated -- the first book to share the dual reflections of psychiatrist and patient. Ginny Elkin was a troubled young and talented writer whom the psychiatric world had labeled as "schizoid."

After trying a variety of therapies, she entered into private treatment with Dr. Irvin Yalom at Stanford University. As part of their work together, they agreed to write separate journals of each of their sessions. *Every Day Gets a Little Closer* is the product of that arrangement, in which they alternately relate their descriptions and feelings about their therapeutic relationship.

"Something heavy is going on ... the past is erupting ... my two lives, night and day, are joining. I need to talk." Irv Yalom's old medical school friend was making a plea for help. In their fifty years of friendship, Bob Berger had never divulged his nocturnal terrors to his close comrade. Now, finally, he found himself forced to. In *I'm Calling the Police*, Berger recounts to Yalom the anguish of a war-torn past: By pretending he was a Christian, Berger survived the Holocaust. But after a life defined by expiation and repression, a dangerous encounter has jarred loose the painful memory of those years. Together, they interpret the fragments of the horrific past that haunt his dreams. *I'm Calling the Police* is a powerful exploration of Yalom's most vital themes--memory, fear, love, and healing--and a glimpse into the life of the man himself.
