This updated Magic: The Gathering card guide helps all players--from beginner to expert--play that winning deck or add missing cards. Includes more than 2,000 cards, from Antiquities to Legends. Full color.

An official guide to the most iconic legends and legendary creatures from the world of Magic: The Gathering The world of Magic: The Gathering is home to many fantastical characters and creatures, but perhaps none so intriguing as its legends. Legendary dragons, demons, angels, goblins, vampires, merfolk, wizards, and more roam the multiverse. These characters harken back to Magic's early history, having been introduced in one of the first Magic card sets (1994's Legends); new legends continue to tell epic stories in lore and on the battlefield through the present day. Magic: The Gathering: Legends showcases high-quality reproductions of the legendary card art from across the game's history--in many instances for the first time outside of the card frame--along with accompanying histories written by Jay Anelli. This collection also offers exclusive insight into the art and mythology behind some of Magic: The Gathering's most powerful, popular, and enduring legends, including Niv-Mizzet, Emmara Tandris, Marit Lage, Sisay, Atraxa, the Eldrazi titans, Edgar Markov, Queen Marchesa, Zurgo, Pia Nalaar, Zacama, King Algenus Kenrith, Snapdax, and many, many more.

The Official Encyclopedia Volume 2 picks up where Volume 1 left off. This collector's edition cover features Ivory Charm from the Mirage series.

With a how-to-use guide, collector's history, and a visual reference incorporating the latest releases, this volume includes fully updated information on all the Magic cards released since the last encyclopedia. Color illustrations throughout.

DI/Illustrations, simple instructions for performing over 100 tricks, including The Inexhaustible Hat, The Chinese Rings, Steel Through Steel, Fingers That See, much more. /div
