Succeed in chemistry with the clear explanations, problem-solving strategies, and dynamic study tools of CHEMISTRY & CHEMICAL REACTIVITY, 9e. Combining thorough instruction with the powerful multimedia tools you need to develop a deeper understanding of general chemistry concepts, the text emphasizes the visual nature of chemistry, illustrating the close interrelationship of the macroscopic, symbolic, and particulate levels of chemistry. The art program illustrates each of these levels in engaging detail—and is fully integrated with key media components. In addition access to OWLv2 may be purchased separately or at a special price if packaged with this text. OWLv2 is an online homework and tutorial system that helps you maximize your study time and improve your success in the course. OWLv2 includes an interactive eBook, as well as hundreds of guided simulations, animations, and video clips. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Charles Hill's Global Business Today, 4e (GBT) has become an established text in the International Business market for its excellent but concise coverage of the key global issues including the cultural context for global business, cross-border trade and investment, the global monetary system and competition in the global environment. GBT's concise chapters give a general introduction to international business - emphasizing the environmental factors, with less coverage of operations. Charles Hill is renowned for his attention to research trends and that is evident in Global Business Today, 4e through a variety of real world examples and cases from small, medium, and large companies throughout the world

Collects conditioning programs for athletes between the ages of six and eighteen, offering over three hundred exercises for increasing coordination, flexibility, speed, endurance, and strength

"Saints and Their Symbols features more than 120 of the saints most frequently portrayed in art and explains how to recognize these saints with the help of their symbols. This magnificently illustrated guide includes more than 200 classic images, in addition to text that details each saint's feast day and biography, as well as the people, activities, and locations under the saint's patronage."--P. [4] of cover.

Presents a selection of the author's poems from throughout his life, from playful early poems to themes of mourning and loss.

The new novel by the bestselling author of Soldiers of Salamis (1 million copies worldwide) has sold more than 160,000 copies in hardback in Spain since publication in 2009.

From Florence to Paris, a scent like no other can take you unexpected places . . . Ten-year-old Elena lives in Florence with her cold and distant perfumier grandmother. Only when enveloped in aromas does Elena feel at home, and she has nurtured a unique gift: the ability to decipher the ingredients of a perfume, and experience the feelings it evokes. Years later, Elena's talent leads her to the cobbled streets of Paris. There she rediscovers an old, secret family perfume recipe that no other perfumier has been able to replicate. As Elena begins to open her heart to new adventures she meets a man who is guarding his own secrets. From France's sun-drenched lavender fields to the ancient heart of Italy, together they will follow a path of secret scents, distant memories and new hopes . . . 'Sensuous, evocative, intriguing and emotional - and like all good perfumes it lingered long after. An absolute treat' Veronica Henry 'Evocative, atmospheric and engaging' Daily Mail 'A beautiful and well-constructed tale' Elle 'A stunning story' Vanity Fair
