Mark Twain — 'I was gratified to be able to answer promptly, and I did. I said I didn't know.'

This is the only authoritative text of this late novel. It reproduces the manuscript which Mark Twain wrote last, and the only one he finished or called the "The Mysterious Stranger." Albert Bigelow Paine's edition of the same name has been shown to be a textual fraud.

It comprises essays written during a difficult time in Twain's life (1904–1909), when he was deeply in debt and had recently lost his wife and one of his daughters. The content concerns morality and religion and strikes a tone that is sarcastic - Twain's own term throughout the book.

~~Mark Twain's Mysterious Stranger~~

The thirteen essays in this collection combine to offer a complex and deeply nuanced picture of Samuel Clemens. With the purpose of straying from the usual notions of Clemens (most notably the Clemens/Twain split that has ruled Twain scholarship for over thirty years), the editors have assembled contributions from a wide range of Twain scholars. As a whole, the collection argues that it is time we approach Clemens not as a shadow behind the literary persona but as a complex and intricate creator of stories, a creator who is deeply embedded in the political events of his time and who used a mix of literary, social, and personal experience to fuel the movements of his pen. The essays illuminate Clemens's connections with people and events not usually given the spotlight and introduce us to Clemens as a man deeply embroiled in the process of making literary gold out of everyday experiences. From Clemens's wanderings on race and identity to his looking to family and domesticity as defining experiences, from musings on the language that Clemens used so effectively to consideration of the images and processes of composition, these essays challenge long-held notions of why Clemens was so successful and so influential a writer. While that search itself is not new, the varied approaches within this collection highlight markedly inventive ways of reading the life and work of Samuel Clemens.

Considered one of Twain's darkest works, *The Mysterious Stranger* reveals the somber side of the literary genius. Twain wrote portions of the novel that would eventually comprise *The Mysterious Stranger* from 1890 to 1910, and the edition published posthumously in 1916 focuses largely on the tale of Satan's nephew living in Austria during the Middle Ages. A serious commentary on moral sense theory and the destiny of the human race, *The Mysterious Stranger* is not only an excellent example of Twain's range as a writer but also features gorgeous artwork by the preeminent early twentieth-century illustrator N.C. Wyeth.

~~Mark Twain's Mysterious Stranger~~

Mark Twain towered above the American literary landscape. With a worldwide fame greater than that of statesmen, scientists, or entertainers, Twain was in his own words "the most conspicuous man on the planet." Now, in this wonderful recounting of his career, Larzer Ziff offers an incisive, illuminating look at one of the giants of American letters. Mark Twain emerges in this book as something of a paradox. His humor made him rich and famous, but he was unhappy with the role of humorist. He satirized the rapacious economic practices of his society, yet was caught up in those very practices himself. He was a literary genius who revolutionized the national literature, yet was unable to resist whatever quirky notion or joke that crossed his mind, often straying from his plot or contradicting his theme. Ziff offers a lively account of Twain's early years, explores all his major fiction, and concludes with a consideration of his craftsmanship and his strength as a cultural critic. He offers particularly telling insight into Twain's travel writings, providing for example an insightful account of *Following the Equator*, perhaps Twain's most underrated work. Throughout the book, Ziff examines Twain's writings in light of the literary cultures of his day--from frontier humorists to Matthew Arnold--and of parallel literary works of his time--comparing, for example, A Connecticut Yankee with major utopian works of the same decade. Thus the book is both a work of literary criticism and of cultural history. Compact and sparkling, here then is an invaluable introduction to Mark Twain, capturing the humor and the contradictions of America's most beloved writer.

Although there are many studies of America's most famous literary figure, this thorough investigation provides not only new information on Twain's religion, but also a different approach from anything published before. Interpretations of Twain over the past century have been largely the province of literary critics. By skillful textual analysis they have produced an abundance of nuanced studies, but they tend to have little interest in, and knowledge of, the broad religious context of Victorian society, which both angered and intrigued Twain. Phipps provides perceptions often overlooked into the way Clemens's religion was related to such significant issues as racism, imperialism, and materialism. This study takes a close look at his growing up in the slave culture of Missouri Protestants and his subsequent involvement in the radically different abolition culture in which his wire was raised. Like Twain, who aimed at communicating with the common person, Phipps has written in a style that will attract the educated public while providing fresh insights for Twain scholars. His research has taken him to Hannibal, Elmira Hartford, and to the Twain archives in Berkeley. Mostly chronological, the book makes extensive use of Twain's works and, often neglected in such studies on Twain, the Bible, his most important literary source.

Mark Twain's humour has secured him a large audience not only in America and this country, but also in Germany and other Continental countries. It is the dry, incisive humour of a shrewd man of the world who, having gone through life with his eyes wide open, has cheered himself by laughing not merely at the faibles of his fellow-men, but, by implication, at his own as well. He was not very reverent in his attitude towards what he considers worn-out survivals of old beliefs and superstitions, and sometimes poked fun without much discrimination. This is volume two out of two of one of the best biographies ever written about this outstanding author and covers the years 1886 to 1910.

This carefully edited collection has been designed and formatted to the highest digital standards and adjusted for readability on all devices. Contents: Travel Books *The Innocents Abroad* *Roughing It* *Old Times on the Mississippi* *A Tramp Abroad* *Life on the Mississippi* *Following the Equator: A Journey Around the World* *Some Rambling Notes of an Idle Excursion* *Essays, Satires & Articles* *How to Tell a Story*, and *Other Essays* *What Is Man? And Other Essays* *Editorial* *Wild Oats* *Advice to Youth* *Fenimore Cooper's Literary Offences* *Concerning the Jews* *To the Person Sitting in Darkness* *To My Missionary Critics* *Christian Science* *Queen Victoria's Jubilee* *Essays on Paul Bourget* *The Treaty With China*, its *Provisions Explained* *In Defence of Harriet Shelley Mrs. Eddy* *In Error* *Stirring Times in Austria* *The Czar's Soliloquy* *King Leopold's Soliloquy* *Adam's Soliloquy* *Essays on Copyrights* *Other Essays* *The Complete Speeches* *The Complete Letters* *Chapters from my Autobiography* *Biography* *Mark Twain: A Biography* by Albert Bigelow Paine *Samuel Langhorne Clemens (1835-1910)*, better known by his pen name Mark Twain, was an American writer, humorist, entrepreneur, publisher, and lecturer. He is best known for his two novels – *The Adventures of Tom Sawyer* and its sequel, the *Adventures of Huckleberry Finn*, but his satirical stories and travel books are also widely popular. His wit and satire, in prose and in speech, earned him praise from critics and peers. He was lauded as the greatest American humorist of his age.
