managing return on marketing, creating customer value, building and managing customer relationships, marketing accountability and return on investments, and direct and online marketing. For marketing professionals who believe customer value is the driving force behind every marketing strategy.

This book is not available as a print inspection copy. To download an e-version click [here](#) or for more information contact your local sales representative. Get 12 months FREE access to an interactive eBook when purchasing the paperback* Previous edition winner of the British Book Design and Production Award for "Best Use of Cross Media 2014" This easy to use resource allows students to switch from digital to the print text and back again, opening windows to the world of marketing through cases that are vibrant and engaged, links that allow students to explore topics in more detail and content to encourage relating theory to practice. Recognizing the importance of ongoing technological and social developments and the increasing connectedness of consumers that has profound implications for the way marketing operates and students learn, the 4th edition demystifies key technologies and terminology, demonstrating where and how emerging digital marketing techniques and tools fit in to contemporary marketing planning and practice. The new edition welcomes a new 3rd author and has been fully updated to include: 31 New case studies (including 5 new end of chapter and 26 new 'focus boxes'), featuring a greater number of case studies from digital/social media marketing, Uber and the sharing economy, Google and crowdsourcing and Amazon's drone delivery service. Even more content

Download File PDF Marketing Armstrong Kotler 9th Edition

on digital marketing integrated throughout, including key issues such as social media, mobile marketing, co-creation, cutting edge theory. A fully updated and streamlined interactive eBook led by student feedback. Focus boxes throughout the text such as Global, Consumer, B2B and Ethical - all with a greater emphasis on digital communication - reinforce key marketing trends and relate theory to practice. Each chapter also ends with a case study revolving around topics, issues and companies that students can relate to such as Taylor Swift taking on Spotify. The new edition comes packed with features that can be used in class or uploaded onto a course management system and which students can use in their own self-directed study. Furthermore, the book is complemented by a FREE interactive eBook with access to web links, video links, SAGE journal articles, MCQ's, podcasts and flashcards, allowing access on the go and encouraging learning and retention whatever the learning style. Suitable as core reading for undergraduate marketing students. *Interactivity only available through VitalSource eBook included as part of paperback product (ISBN 9781526426321). Access not guaranteed on second-hand copies (as access code may have previously been redeemed).

How to compete in the right space for greater profitability and growth The Internet, mobile technology, the ubiquity of information and the availability of big data have dramatically increased the speed and impact of success and failure. Companies today know that they must be competitive, but precisely where, and more importantly how, to compete is not always easy to

Download File PDF Marketing Armstrong Kotler 9th Edition

identify—until now. *Compete Smarter, Not Harder* explains how to prioritize market opportunities so that a company's strengths in one area can be leveraged across multiple markets. Using cutting-edge academic research and extensive industry practice, author William Putsis outlines the strategic decisions needed to determine which space provides the best margins, overall profitability, and growth potential. Details a step-by-step process for strategic prioritization, from strategic market selection to the tactics of execution, providing competitive advantage across markets. Written by Doctor William Putsis, a professor of marketing, economics, and business strategy at the University of North Carolina at Chapel Hill, who has consulted and led executive development efforts with leading companies throughout the world. *Prioritize with conviction. Make absolutely sure that all of your hard work goes toward the right space.*
