The Masqueraders were one of the longest-lived yet little-known groups in soul music history.

The Masqueraders | Biography & History | AllMusic

Raimundo Madrazo often played with historical dress and aesthetics in his paintings. Masqueraders offers a luxurious look at late 1870s fancy dress, and later paintings of the woman's costume give insight into the change in fashion.

1875-1878 – Raimundo de Madrazo y Garreta, Masqueraders ...

The excitement among the masqueraders was prodigious, and filled the heart of the king with glee. The masqueraders, by this time, had recovered, in some measure, from their alarm; and, beginning to regard the whole matter as a well-contrived pleasantry, set up a loud shout of laughter at the predicament of the apes.

"A treasure beyond price. The Masqueraders is a wicked delight, worth more than its weight in gold." ?Anne Stuart Such a daring escape? Their infamous adventurer father has taught Prudence Tremaine and her brother Robin to be masters of disguise. Ending up on the wrong side of the Jacobite rebellion, brother and sister flee to London, Prudence pretending to be a dashing young buck, and Robin a lovely young lady. Could cost them both their hearts? Then Prudence meets the elegant Sir Anthony Fanshawe, and Robin becomes the mysterious hero of the charming Letitia Grayson, and in order to have what they truly want, the two masqueraders must find a way to unmask themselves without losing their lives? "What with elopements, rescues, duels, and cards, the story goes excitingly; and finally the magnificent but dubious father proves himself a Viscount. It is a picturesque and engaging story." ?THE SPECTATOR PRAISE FOR GEORGETTE HEYER: "Our Georgette Heyer display of the Sourcebooks reprints has been a huge success, not only to those early fans like myself, but to many new readers who appreciate her style and wit." Nancy Olson, Quail Ridge Books, Raleigh, NC "Reading Georgette Heyer is the next best thing to reading Jane Austen." Publishers Weekly "Wonderful characters, elegant, witty writing, perfect period detail, and rapturously romantic. Georgette Heyer achieves what the rest of us only aspire to." Katie Fforde WHAT READERS SAY: "Heyer manages to make us believe in

this entertaining masquerade of the siblings posing each as a member of the opposite sex. Very true to the period indeed. Strongly recommended." "Such a great book—the ultimate romantic, swashbuckling, identity-swapping fantasy." "A must-read for Heyer fans." "Anyone who loves Shakespeare's Viola (and who thinks Shakespeare didn't give her enough to do in *Twelfth Night*) will enjoy Georgette Heyer's heroine Prudence." "I wore the cover out on this one almost forty years ago. Believe me, Ms Heyer stands the test of time!"

The most important female English novelist of the 1720s, Eliza Haywood is famous for writing scandalous fiction about London society. Fast-moving, controversial, and sometimes disturbing, Haywood's short novels *The Masqueraders* and *The Surprize* are valuable sources for the study of eighteenth-century gender and identity, the social history of masquerade, the dangers of courtship and seduction, and conceptions of elite and popular cultures. Despite their common theme of masquerade and seduction, the two short novels are a study in contrasts. *The Masqueraders* features the whirl of London life, with a libertine anti-hero and his serial seductions of women who believe that they can manipulate the social conventions that are expected to limit them. *The Surprize*, on the other hand, is an uncharacteristically sentimental story in which a similarly salacious plot ends in rewards for the good and virtuous. Well suited to the teaching of these two texts, this volume contains annotated scholarly editions of both novels, an extensive introduction, and useful appendices that discuss the masquerade's role in eighteenth-century debates on gender, morality, and identity.

Everything has a price — except for love, and revenge... "Laura Parker's innovativeness and beautiful style of writing keep her a head above the rest." — *Affaire de Coeur* In the darkest hours of her life, disgraced heiress Philadelphia Hunt is approached by a handsome stranger, a Brazilian jewel-miner named Eduardo Tavares. He makes an outrageous proposition—disguise herself and join him in a devious con to swindle America's upper crust out of their riches. Philadelphia is desperate, and intrigued, by both this enchanting stranger and his promises of her return to high society. But a deeper masquerade is afoot. Little does Philadelphia know that the man responsible for her father's disgrace and suicide is Eduardo himself, the very man in whose arms she is discovering the scorching heat of desire. And little does Eduardo know that Philadelphia's thirst for vengeance cannot be quenched. Nor can their passion, as secrets and betrayals set this pair of lovers on a path that will lead to a new life—or to their destruction... "Parker has fun with her characters and their assumed personae, and her love scenes successfully evoke an air of sensuality." — *Publisher's Weekly*

In both love and war, engaging the enemy is a dangerous game. "Laura Parker's innovativeness and beautiful style of writing keep her a head above the rest." — *Affaire de Coeur* Hadrian Blackburne returns to London from the war. Thought to have been killed at Waterloo, he soon wishes he were, instead bored to tears by his unruly family and his role as Lord. He misses the spy games of Persia, where he was a master of intrigue. His attention is snared by a ravishing, veiled beauty who has swept into London's Regency society on a cloud of exotic mystery. Who is this Princess Sultana el Djemal? Hadrian must know, even if playing the game of love could cost him body and soul. Clarissa Willoughby's harmless deception was designed to open doors for a widow ready to shed her weeds. Once Hadrian begins his pursuit of "Sultana," his passionate seduction makes Clarissa jealous of the exotic temptress she herself created. The game of love becomes more perilous than way when Clarissa sets out to win Hadrian's heart, battling again his suspicions and her alter ego. "A most inventive storyteller." — *RT Book Reviews*

From “a marvelous writer,” this Regency romance spanning Persia and London, tells the tale of a bold young woman who falls for an infamous spy (RT Book Reviews). Baghdad, 1808. Adventure is in Japonica Fortnom’s blood. After all, her family has been with the East India Company for generations. But when she is chosen to help an ailing English viscount escape Napoleon’s invading army, she knows she can’t do it alone. So Japonica enlists the aid of the infamous Hind Div. Whispered to be a spy, an assassin, and even a sorcerer, Hind Div agrees to help her . . . in exchange for a night of passion. A year later, the war is over. Japonica arrives in England wishing only to return to France, and to the son conceived on that one night of surrender. But when she meets the new Viscount, she is shocked to discover it is Hind Div himself! Scarred by war, he has no memory of the merciless man he once was. Now Japonica must live with this man who once ignited her passions—and lights them aflame once again—and help him rediscover his pride, honor, and identity . . . even if it costs her everything. “A captivating Cinderella story.” —RT Book Reviews

A cunning French nobleman who lives a double life as a thief must commit a daring crime to win his true love’s heart in this 18th century English romance. Merlyn Ross is a handsome actor and petty thief who wears a leather eyepatch, his other eye a piercing emerald green. But he’s also known as the Comte de Valure, a dashing French nobleman who wears a silk eye patch, his other eye an enchanting sapphire blue. Admired by men, adored by women, no one suspects that Merlyn and the Comte are one and the same, or that both men steal more than just kisses when seducing London’s wealthiest women . . . until one night changes everything. Cassandra, a highborn lady, is the target of a robbery, and a victim of amnesia. Locked away as a vagrant, she is sold for one night’s pleasure . . . to a prisoner with an emerald eye. One year later, Cassandra’s son, conceived on that fateful night, is being held hostage by her father-in-law. She has no chance of freeing him—until by chance she meets the Comte, and instantly remembers the night they shared. Now Merlyn is determined to prove himself to the woman who stole his heart in the shadows of a lowly prison. But to do it, he must pull off the heist of his lifetime, and become the one man worthy of his true love. “A most inventive storyteller.” —RT Book Reviews “Laura Parker’s innovativeness and beautiful style of writing keep her a head above the rest.” —Affaire de Coeur

Five scorching-hot, suspense-filled, historical romances from “a most inventive storyteller” where deceit hides forbidden love—until the disguises come off (RT Book Reviews). In *Caprice*, a young widow decides on a lark to disguise herself as the mysterious Princess Soltana El Djemal—only to catch the heart of a dashing Lord who vows to discover her true identity. In *Mischief*, a bold young woman falls for an infamous spy while escaping Persia in 1808, but it’s when she sees him again in England that the real adventure begins. In *Beguiled*, a mysterious man and a desperate heiress set out to con the upper crust of nineteenth century New York—but the games they’re playing against each other are far more dangerous. In *Emerald and Sapphire*, a French nobleman’s secret double life as a thief is revealed—by the only woman capable of stealing his heart. And in *The Gamble*, a viscount masquerades as a notorious highwayman, only to discover that a
