Scholarly readings of John Chrysostom's Christology seldom examine the intimate relationship that exists between his doctrinal, sacramental, and praxeological views. The vital correlation between exegesis and praxis in patristic thought must be taken into consideration in any evaluation of christological positions. Chrysostom's doctrine of Christ is intricately bound to life in the church. Within this conceptual framework, Chrysostom's commentaries on John's Gospel and Hebrews are examined. The christological portrait that emerges from this oeuvre is a depiction of the personal continuity of the divine Son in Christ; his sacramental presence in the church, the body of Christ; and his transforming work in the Christian, to the likeness of Christ. This persuasive study demonstrates that Chrysostom's view of the Christian life is the outworking of his exegetically informed and pastorally rich christological doctrine.

Since its founding nearly a century ago, Bentley has become an arresting and eloquent voice for the British persona. This book not only illustrates the engineering excellence of the marque, but also introduces 'today's Bentley Boys'--a tribe of Bentley and Britain adherents both inspired and motivated by what it means to be British. Featuring such varied creatives as Pink Floyd's Nick Mason, Alice Temperley, and interior designer Kelly Hoppen, Bentley: Be Extraordinary is a celebration of the enlivening fire behind the brand as synonymous with the UK as the Union Jack. With Bentley, you have arrived.

Intended for upper-level undergraduate and graduate courses in chemistry, physics, mathematics and engineering, this text is also suitable as a reference for advanced students in the physical sciences. Detailed problems and worked examples are included.

In what may be his boldest and most controversial book, Paul Shepard presents an account of human behavior and ecology in light of our past. In it, he contends that agriculture is responsible for our ecological decline and looks to the hunting and gathering lifestyle as a model more closely in tune with our essential nature. Shepard advocates affirming the profound and beautiful nature of the hunter and gatherer, redefining agriculture and combining technology with hunting and gathering to recover a livable environment and peaceful society.

Almost every student has to study some sort of mathematical proofs, whether it be in geometry, trigonometry, or with higher-level topics. In addition, mathematical theorems have become an interesting course for many students outside of the mathematical arena, purely for the reasoning and logic that is needed to complete them. Therefore, it is not uncommon to have philosophy and law students grappling with proofs. This book is the perfect resource for demystifying the techniques and principles that govern the mathematical proof area, and is done with the standard "Demystified" level, questions and answers, and accessibility.

Sarah Roberts is in Las Vegas, Nevada. Her dead sister has left her a message with two tasks to complete in Vegas. She is supposed to choose a random guy with a cell phone and send a message to a number her sister has supplied. Before she can complete this first task, she notices a man following her. This man begs her, with tears in his eyes, to not send the text. On the west side of Vegas, a man is being tortured. Sarah's second task is to arrive at a certain time to stop it. When she shows up late, people start to die. The man who had followed her also shows up. When bodies start to pile up, the authorities want to know what Sarah is doing in Vegas. All Sarah wants is to get her bike and leave the city that never sleeps. But, Maxwell Ramsey has a different plan for Sarah. She has entered his territory and intervened in his business. She has cost him money and time as he plans the acquisition of a local casino. For that, Sarah has to be removed. What she doesn't expect are the deep ties she discovers to her family, and what that means to her now, and in the future. Sarah Roberts is in Vegas gambling with her life. She can only make it out alive if she plays her cards right. See what readers are saying about Sarah Roberts: " - " This is a great series I love it and you should definitely read it! Each Sarah Roberts story gets more intriguing and more intense! I feel as if I know all the main characters personally, and I can't wait for next thriller! Keep writing Jonas Saul! Your fans await!" - " Jonas Saul is one of the most talented writers of our time. " - " First book I read by Jonas Saul. One of the best books I have ever read. " - " Amazing! I've been looking forward to starting this series for a while and let me tell you, it does not disappoint! Absolutely filled to the brim with action, suspense and thrills. " - " These books are an action-packed adrenaline rush that left me hungry for more! With each twist and turn, I got more invested in Sarah and her family, and I felt their struggles and pain! The series combines my two favorite things for a story - a great, heart-thumping journey, and characters I can connect with emotionally. Sarah Roberts is the perfect strong, yet vulnerable, heroine for men and women everywhere to admire! " - " I love Jonas Saul - my new favorite author. " - " I am an avid reader of Stephen King and Dean Koontz, and Jonas Saul won me over with this book. " - " To me this is the best series I have ever read. " - " Love the series. Can't wait till another comes out. Jonas Saul is a great storyteller. Send more! " - " The way the Sarah Roberts character grows and evolves is superb. Jonas Saul is one of the best contemporary writers alive today. " - " I haven't read a book by Jonas Saul I haven't loved! Highly, highly, highly recommend!" - " This is one of the best mystery series ever written. Jonas Saul is amazing. I recommend the entire Sarah Roberts to any reader whether you're into mysteries or not. "

This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it.
