Utilizing the first thirteen chapters of Wild's best-selling, Financial and Managerial Accounting text, **Financial Accounting Fundamentals** responds to the market's request for a low-cost, succinct book; a book that balances large and small businesses, and one that is contemporary, engaging, and accessible for today's students. Its innovation is reflected in its extensive use of small business examples, the integration of new technology learning tools, superior end-of-chapter material, and a highly engaging, pedagogical design.

Ebook: Managerial Accounting

Fundamentals of Cost Accounting provides a direct, realistic, and efficient way to learn cost accounting, integrated with new technology learning tools. **Fundamentals** is short (approximately 700 pages) making it easy to cover in one semester. The authors have kept the text concise by focusing on the key concepts students need to master. The **Decision opening vignettes** and **Business Application boxes** show realistic applications of these concepts throughout. All chapters conclude with a **Debrief** that links the topics in the chapter to the decision problem faced by the manager in the opening vignette. Comprehensive end-of-chapter material provides students with all the practice they need to fully learn each concept. McGraw-Hill Connect Accounting Plus provides students every advantage as they strive to understand the key concepts of cost accounting and its role in business. Connect Accounting Plus offers a complete digital solution with a robust online learning and homework management system, an integrated media-rich eBook, assignable end-of-chapter material, algorithmic functionality, and reporting capabilities.

The approach used by Hoyle, Schaefer, and Douppnik in the new edition allows students to think critically about accounting, just as they will do while preparing for the CPA exam and in their future careers. With this text, students gain a well-balanced appreciation of the Accounting profession. As Hoyle 12e introduces them to the field's many aspects, it often focuses on past controversies and present resolutions. The text continues to show the development of financial reporting as a product of intense and considered debate that continues today and into the future. The writing style of the eleven previous editions has been highly praised. Students easily comprehend chapter concepts because of the conversational tone used throughout the book. The authors have made every effort to ensure that the writing style remains engaging, lively, and consistent which has made this text the market leading text in the Advanced Accounting market. The 12th edition includes an increased integration of IFRS as well as updated accounting standards.
