A room locked for fifty years. A valuable peacock ring. A mysterious brother-sister duo. Paloma Marquez is traveling to Mexico City, birthplace of her deceased father, for the very first time. She's hoping that spending time in Mexico will help her unlock memories of the too-brief time they spent together. While in Mexico, Paloma meets Lizzie and Gael, who present her with an irresistible challenge: The siblings want her to help them find a valuable ring that once belonged to beloved Mexican artist Frida Kahlo. Finding the ring means a big reward -- and the thanks of all Mexico. What better way to honor her father than returning a priceless piece of jewelry that once belonged to his favorite artist! But the brother and sister have a secret. Do they really want to return the ring, or are they after something else entirely?

"This picture book biography follows Frida Kahlo's start as an artist and how she integrated her unique way of looking at the world into her art"--

"An inherently absorbing...truly extraordinary memoir." –Midwest Book Review "I cried when I read this book. Eli Weintraub grabs you with a memoir that reads like a novel, and just doesn't let go. This is a powerful true story!" – Connie Shelton, USA Today bestselling author In 1976 Nancy Weintraub was a rebellious teen, a child of the 60s, a free spirit. She and a friend set out, against her parents' wishes, to spend a year in San Miguel de Allende attending art school and perfecting their Spanish. Nancy was in heaven as she experienced international travel and the art scene, but a horrific accident in a lonely Mexican desert took away her life as she knew it. As her family, friends, many doctors, and complete strangers made heroic efforts to save her life, many of her hopes were dashed forever. Unknowingly suffering from Post Traumatic Stress Disorder, Nancy spent the next 18 years running from one bad situation to the next. Trying to reinvent herself, she changed her name to Eli. Her healing really began after learning about the Mexican artist, Frida Kahlo, whose life mirrored her own in so many ways, and meeting an art therapist. Through art therapy, she came to realize that Nancy had died in the wreckage on that rain-slick road, and she didn't know the person who had emerged. It seemed her free-spirited gypsy self was gone. Gradually, the artist and writer Eli emerged from the shell of Nancy, and through art she found her way back to life and love. Frida and Me takes the reader through this remarkable woman's journey, from the giddy days of her once-in-a-lifetime adventure, through the darkest abyss imaginable, putting her on a new path toward helping others recognize art as a tool to heal. Her inspiring presentations have helped trauma victims and clinicians alike, and readers of her story cannot help but be affected by her courage and determination. As she states in the Prologue, "This book is about that journey and my proven experience in the use of art as a tool to help overcome the overwhelming patterns of PTSD. I literally have art and art therapy to thank for saving my life." Praise for Frida and Me: "An inherently absorbing, singularly fascinating, completely compelling, and truly extraordinary memoir that is as deftly crafted as it is impressively candid." – Midwest Book Review "This book brought you through the pain and the healing that someone would go through from experiencing PTSD. It showed how it affected family, her, her emotional and physical well being. It inspires a desire to dig deep and find your own healing." – 5 stars, Amazon review "Powerful read! This memoir was impressive. You always think that people wouldn't tell what they have gone through in their life and I can relate to a few of Nancy/Eli's situations. Very powerful read and I wanted to just sit and read it until I was done, but I couldn't read for 24 hours straight. Very informative, very intuitive. I wanted to just grab this 18 year old girl and hold onto her for every day and help her through the troubles she endured. I now have a little bit more insight into things I have gone through myself and can relate in a very small part. Thank you for sharing all your life endeavors." – 5 stars on Amazon "Struggles and successes-Oh my gosh, what an emotional, intense story this is. Nancy's then Eli's life experiences are so intense. I felt the strength even through the struggles Eli went through. I loved reading Eli's descriptions of her paintings. Her social experiences as she went through her facets of healing were interesting. I even loved reading the epilog. This story is so moving and I am so glad I took the opportunity to read it." –5 stars "I just read this book in one sitting. I cried through parts of it...This woman has been through a lot. It is a must read." – Jaxon, 5 star review "This is a must-read! I thoroughly enjoyed the poignant story of Nancy's (Eli) journey as a young adult traveling through Mexico and honing her skills in art and language. I was mesmerized by all the fun adventure and it's no secret, but tragedy strikes. Heartbreaking for any family to go through, this story is so captivating that you will feel as devastated for everyone involved as though you were right there. This lady was one strong person to go through half of what she did and I found myself cheering her on throughout. Anyone who is dealing with or has overcome trauma / PTSD should definitely read this story. It would also benefit any care provider or trauma counselor. That's another thing I really loved about the book-- I loved the art, in full color, that Eli shares... fantastic! Do yourself a favor and read this story today!" – 5 stars, Barnes & Noble reviewer "A must-read! Eli reveals her early life, months in Mexico studying art, and then the trauma of near death after a horrible bus accident and the physical and emotional damage that resulted. She is courageous in revealing her deep soul searching experiences and years of healing, ultimately with the help of her compassionate counselor and art therapist." – Judy Wright, MS, Program Manager of the University of New Mexico's Employee Health Promotion Program (retired) "I cried when I read this book. Eli Weintraub grabs you with a memoir that reads like a novel, and just doesn't let go. What an amazing journey, and what fortitude this young woman called upon, to find her life again after she nearly lost it. This is a powerful story!" – Connie Shelton, USA Today bestselling author "An astonishing story of art's abilities to heal physical and psychic trauma. The artwork and accompanying narrative of Frida and Me carry the reader through the artist/author's difficult journey following a horrific bus accident. The account courageously highlights the witness of art in service of the soul." – Linney Wix, Ph.D., ATR-BC, Professor Emerita "I was moved by Eli Weintraub Maurx's story and the courageous healing work that she undertook, using art. She was able to trust the honesty and depth of her powerful images, and my hope is that her story will inspire others to use creative expression in their healing journeys." –Deborah Schroder, ATR-BC, LPAT "Frida and Me movingly describes the process Eli and her therapist undertook in their work together, using art to enable Eli to assemble the pieces of her shattered self that were beyond words. The art Eli created during her healing journey is beautifully displayed in the book, helping readers better understand her inner experience as she processed her traumas. Eli poignantly describes the confusion, disorientation and disconnection from self a person with PTSD lives with, and how lost they feel when they don't understand what has happened to them. I found this personal and inspiring account beautifully written and hard to put down [and] will recommend Frida and Me to clients, their families and therapists." –Laurel Parnell, Ph.D., director, Parnell Institute for EMDR, and author of Rewiring the Addicted Brain

Having doubts about your next step? Ask yourself what artist Frida Kahlo would do in this "beautiful volume . . . sure to inspire" (Boston Globe). NAMED A BEST GIFT BOOK OF THE YEAR BY: Instyle, Oprah Daily, Business Insider, Esquire, Boston Globe, and Redbook Revered as much for her fierce spirit as she is for her art, Frida Kahlo stands today as a feminist symbol of daring creativity. Her paintings have earned her admirers around the world, but perhaps her greatest work of art was her own life. What would Frida Do? celebrates this icon's signature style, outspoken politics, and boldness in love and art—even in the face of hardship and heartbreak. We see her tumultuous marriage with the famous muralist Diego Rivera and rumored flings with Leon Trotsky and Josephine Baker. In this irresistible read, writer Arianna Davis conjures Frida's brave spirit, encouraging women to create fearlessly and stand by their own truths.

A 2015 Caldecott Honor Book A 2015 Pura Belpré (Illustrator) Award Frida Kahlo, one of the world's most famous and unusual artists is revered around the world. Her life was filled with laughter, love, and tragedy, all of which influenced what she painted on her canvases. Distinguished author/illustrator Yuyi Morales illuminates Frida's life and work in this elegant and fascinating book. A Neal Porter Book

A New York Times–bestselling author's personal examination of how the experiences, art, and disabilities of Frida Kahlo shaped her life as an amputee. At first sight of Frida Kahlo's painting The Two Fridas, Emily Rapp Black felt a connection with the artist. An amputee from childhood, Rapp Black grew up with a succession of prosthetic limbs and learned that she had to hide her disability from the world. Kahlo sustained lifelong injuries after a horrific bus crash, and her right leg was eventually amputated. In Kahlo's art, Rapp Black recognized her own life, from the numerous operations to the compulsion to create to silence pain. Here she tells her story of losing her infant son to Tay-Sachs, giving birth to a daughter, and learning to accept her body. She writes of how Frida Kahlo inspired her to find a way forward when all seemed lost. Book cover image: Frida Kahlo, prosthetic limb. Frida Kahlo & Diego Rivera Archives. Bank of Mexico, Fiduciary in the Diego Rivera and Frida Kahlo Museum Trust.

What the Water Gave Me contains fifty-two poems in the voice of the Mexican painter Frida Kahlo. Some of the poems are close interpretations of Kahlo's work, while others are parallels or version homages where Petit draws on her experience as a visual artist to create alternative 'paintings' with words. More than just a verse biography, this collection explores how Kahlo transformed trauma into art after the artist's near-fatal bus accident. Petit, with her vivid style, her feel for nature and her understanding of pain and redemption, fully inhabits Kahlo's world. Each poem is an evocation of 'how art works on the pain spectrum', laced with splashes of ferocious colour. 'Their apparent shared sensibility makes the ventriloquism of these poems entirely unforced, and while Kahlo's voice is subtly distinguished from Petit's own, both women have a way of taking painful, private experiences and transmuting them, through imagery, into something that has the power of folklore. They capture the unsettling spirit of Frida Kahlo and her work perfectly.' Poetry London 'No other British poet I am aware of can match the powerful mythic imagination of Pascale Petit.' Les Murray Times Literary Supplement

The riveting story of how three years spent in the United States transformed Frida Kahlo into the artist we know today "[An] insightful debut....Featuring meticulous research and elegant turns of phrase, Stahr’s engrossing account provides scholarly though accessible analysis for both feminists and art lovers.” –Publisher’s Weekly Mexican artist Frida Kahlo adored adventure. In November, 1930, she was thrilled to realize her dream of traveling to the United States to live in San Francisco, Detroit, and New York. Still, leaving her family and her country for the first time was monumental. Only twenty-three and newly married to the already world-famous forty-three-year-old Diego Rivera, she was at a crossroads in her life and this new place, one filled with magnificent beauty, horrific poverty, racial tension, anti-Semitism, ethnic diversity, bland Midwestern food, and a thriving music scene, pushed Frida in unexpected directions. Shifts in her style of painting began to appear, cracks in her marriage widened, and tragedy struck, twice while she was living in Detroit. Frida in America is the first in-depth biography of these formative years spent in Gringolandia, a place Frida couldn’t always understand. But it’s precisely her feelings of being a stranger in a strange land that fueled her creative passions and an even stronger sense of Mexican identity. With vivid detail, Frida in America recreates the pivotal journey that made Senora Rivera the world famous Frida Kahlo.

This kid-friendly biography of esteemed Mexican painter Frida Kahlo uses a graphic novel format to tell the true story of the woman who led an artistic revolution. After an accident at age 18 dashed her dream of attending medical school and becoming a doctor, Frida Kahlo turned to painting as a form of therapy. Over the next few years, she developed an introspective and surrealist style that soon became a sensation in the art world. By incorporating aspects of Mexican folk art with deeply personal themes, Kahlo's paintings revolutionized not only Mexican art but the very essence of what art could be. Frida Kahlo: Revolutionary Painter! is a biography of this groundbreaking artist, told in a full-color graphic novel format that will appeal to a wide audience.
