Our contemporary  
culture is  
communicating ev

through the  
visual, through  
film, and  
through music.

This makes it  
ever more urgent  
for theologians  
to explore the  
resources of art  
for enriching  
our  
understanding  
and experience  
of the Judeo-  
Christian  
tradition.

Annunciations:  
Sacred Music for

File Type PDF

Melchizedek

the twenty-first  
Century, edited  
by George  
Corbett, answers  
this need,  
evaluating the  
relationship  
between the  
sacred and the  
composition,  
performance, and  
appreciation of  
music. Through  
the theme of

File Type PDF

Melchizedek

'Annunciations',  
this volume  
interrogates  
how, when, why,  
through and to  
whom God  
communicates in  
the Old and New  
Testaments. In  
doing so, it  
tackles the  
intimate  
relationship  
between

reflection and  
musical practice  
in the past, its  
present

condition, and  
what the future  
might hold.

Annunciations  
comprises three  
parts. Part I  
sets out  
flexible

theological and

File Type PDF

Melchizedek

compositional  
frameworks for a  
constructive  
relationship  
between the  
sacred and  
music. Part II  
presents the  
reflections of  
theologians and  
composers  
involved in  
collaborating on  
new pieces of

File Type PDF

Melchizedek

sacred choral music, alongside the six new scores and links to the recordings. Part III considers the reality of programming and performing sacred works today. This volume provides an indispensable

File Type PDF

Melchizedek

resource for

scholars and  
artists working  
at the interface  
between theology  
and the arts,  
and for those  
involved in  
sacred music.

However, it will  
also be of  
interest to  
anyone concerned  
with the ways in

which the Divine  
communicates  
through word and  
artistry to  
humanity.

This work has
