Men Are from Mars, Women Are from Venus Quotes Showing 1-30 of 125. "When a man can listen to a woman's feelings without getting angry and frustrated, he gives her a wonderful gift. He makes it safe for her to express herself. The more she is able to express herself, the more she feels heard and understood, and the more she is able to give a man the loving trust, acceptance, appreciation, admiration, approval, and encouragement that he needs."

Men Are from Mars, Women Are from Venus Quotes by John Gray

According to Men Are From Mars, Women Are From Venus, men will give and give until they are pleased with what they have done. This can be with emotions, money, effort, work, or physical objects. However, women will typically give with the hope that the man will return the gesture.

Popular marriage counselor and seminar leader John Gray provides a unique, practical and proven way for men and women to communicate and relate better by acknowledging the differences between them. Once upon a time Martians and Venusians met, fell in love, and had happy relationships together because they respected and accepted their differences. Then they came to earth and amnesia set in: they forgot they were from different planets. Using this metaphor to illustrate the commonly occurring conflicts between men and women, Gray explains how these differences can come between the sexes and prohibit mutually fulfilling loving relationships. Based on years of successful counseling of couples, he gives advice on how to counteract these differences in communication styles, emotional needs and modes of behavior to promote a greater understanding between individual partners. Gray shows how men and women react differently in conversation and how their relationships are affected by male intimacy cycles ("get close", "back off"), and female self-esteem fluctuations ("I'm okay", "I'm not okay"). He encourages readers to accept the other gender's particular way of expressing love, and helps men and women learn how to fulfill each other's emotional needs. With practical suggestions on how to reduce conflict, crucial information on how to interpret a partner's behavior and methods for preventing emotional "trash from the past" from invading new relationships, Men Are from Mars, Women Are from Venus is a valuable tool for couples who want to develop deeper and more satisfying relationships with their partners.

The author of the most well-known and trusted relationship book of all time returns with an updated guide for today's generation. Two decades ago, Men Are from Mars, Women Are from Venus revolutionized the way we thought about love and partnership. John Gray's work has helped countless readers improve and even save their relationships. But as society evolves, relationships do, too. It's time to move beyond Mars and Venus, toward a new relationship model for modern couples. Today, men and women are no longer trapped by rigid societal roles. Now more than ever, we have the freedom to be our authentic selves. Women can access their masculine side, and men can embrace their feminine side. This new freedom is a good thing, but it also brings new challenges. Men and women still need the right tools and skills to help build stronger relationships. While previous generations sought "role mate" relationships, based on the more rigid gender roles of the time, today's couples need a new kind of relationship: a "soul mate" relationship. These more emotionally satisfying relationships require a deeper understanding of our partners' individual needs. In Beyond Mars and Venus, Gray teaches you how to strengthen your bond and grow in love together, so you and your loved one can meet each other's needs in the best way possible, bringing you lasting happiness and a fulfilling partnership.

Provides daily reminders of the differences in behavior and communication styles of men and women

There's no doubt about it; the relationship between men and women is extremely complex. This title includes comforting and helpful advice on: giving and receiving emotional support; discovering and awakening your hidden qualities; keeping passion alive; reacting to, and coping with, stress; and, maintaining your zest for life.

From the author of the groundbreaking New York Times bestseller The Female Brain, here is the eagerly awaited follow-up book that demystifies the puzzling male brain. Dr. Louann Brizendine, the founder of the first clinic in the country to study gender differences in brain, behavior, and hormones, turns her attention to the male brain, showing how, through every phase of life, the "male reality" is fundamentally different from the female one. Exploring the latest breakthroughs in male psychology and neurology with her trademark accessibility and candor, she reveals that the male brain: -is a lean, mean, problem-solving machine. Faced with a personal problem, a man will use his analytical brain structures, not his emotional ones, to find a solution. -thrives under competition, instinctively plays rough and is obsessed with rank and hierarchy. -has an area for sexual pursuit that is 2.5 times larger than the female brain, consuming him with sexual fantasies about female body parts. -experiences such a massive increase in testosterone at puberty that he perceives others' faces to be more aggressive. The Male Brain finally overturns the stereotypes. Impeccably researched and at the cutting edge of scientific knowledge, this is a book that every man, and especially every woman bedeviled by a man, will need to own.
