This book is designed to complement *Harp Music Bibliography: Compositions for Solo Harp and Harp Ensemble* (Bloomington: Indiana University Press, 1995). The supplement has almost 3000 entries, nearly doubling the total number of listings of works for harp.

Harp

(Harp). This book was designed to help harp players develop and maintain strength, suppleness, and agility in the fingers and hands. It is intended for use by players of all levels. The repetition of patterns common to the harp should enable the player to perform with greater ease and confidence.

Harp Music Bibliography: Chamber Music and Concertos lists over 5000 works in the harp repertoire. The index of composers' names and titles provides access to every piece listed, whether it is cited individually or as part of a collection. In addition, an instrumentation index provides access to specific performance forces needed for each work. A separate index lists works playable on non-pedal harp
