more powerful collection of ideas and tools than the last. What a great resource, especially for beginning teachers but also for us veterans!"

—L. Dee Fink, author, *Creating Significant Learning Experiences*

This third edition of *Teaching at Its Best* is successful at weaving the latest research on teaching and learning into what was already a thorough exploration of each topic. New information on how we learn, how students develop, and innovations in instructional strategies complement the solid foundation established in the first two editions."
