If they figure out Alysa is more than just my economic advisor, then her life will be in danger too.I can't protect everyone and there are tough decisions to be made. There is no way I can take Alysa out of the equation. Loving her is easy, letting her go impossible, but keeping her safe has become my top priority.

“An electrifying family drama that shows the dark side of adoption. You Were Always Mine is the kind of book you will want to finish in one sitting.” –Bustle The acclaimed author of Little Broken Things returns with another “race-to-the-finish family drama” (People) about a single mother who becomes embroiled in a mystery that threatens to tear apart what’s left of her family. Jessica Chamberlain, newly separated and living with her two sons in a small Iowa town, can’t believe that a tragedy in another state could have anything to do with her. But when her phone rings one quiet morning, her world is shattered. As she tries to pick up the pieces and make sense of what went wrong, Jess begins to realize that a tragic death is just the beginning. Soon she is caught in a web of lies and half-truths—and she’s horrified to learn that everything leads back to her seven-year-old adopted son, Gabriel. Years ago, Gabe’s birth mother requested a closed adoption and Jessica was more than happy to comply. But when her house is broken into and she discovers a clue that suggests her estranged husband was in close contact with Gabe’s biological mother, she vows to uncover the truth at any cost. A harrowing story of tenacious love and heartbreaking betrayal, You Were Always Mine is about the wars we wage to keep the ones we love close, perfect for fans of Liane Moriarty and Jodi Picoult.

Four bossy billionaires have met their matches in these four steamy sweet interconnected romances.This collection includes the books of Gia's Billionaire Boy's Club series in one volume. She's Mine - AngelThe first thing I learned about West St. Vincent, was the size of protection he used. Extra extra large, if you're curious.I also learned that he usually dated willowy blondes with a surgery face, vapid expressions, and a vomit-worthy tendency to simper at his feet.My name is Angel DeMarco, and I've never simpered.A simple fact that's about to get me in a whole lot of trouble.Already His - MiaI'm the good girl.I work hard, go home for lunch on Sunday, and never, ever forget myself in the back of a town car with a taciturn billionaire lawyer who just happens to be the best man to my maid of honor.Yep, that didn't happen, and even if it did... it doesn't matter, because I've got an arranged date to focus on and a job measuring inseams to get back to.So what if Elliot Winter is the hottest, bossiest alpha male to cross my path in forever.I'm the good girl...right?Bought and Paid For - JackThey call me the blue-collar billionaire, a self-made man who hates people... they might be right.But when I see Clara, I don't care about any of that. A fun, sexy, charming, friends-to-lovers romance by USA TODAY Bestselling author Claudia Burgoa I’ve been best friends with Beacon since we were kids. We shared everything, even our first kiss. Now that we’re adults, Beacon’s been cockblocking me on my quest to find Mr. Right. No matter how hard I try to find love, he’s always getting in the way. My shy, awkward exterior doesn’t help. After all, Beacon’s the cool one, not me—I play the cello at Carnegie Hall, and He’s a heartthrob. The famous frontman of the band famous Too Far From Grace. Every woman wants him, every guy...either wants to be like him or wants him too. I

decide to play devil's advocate, and hire Beacon to teach me the dating ropes. Maybe if we work together, we can find me a guy we both approve of. Except, moving to Baker's Creek to work on this experiment isn't working the way I planned. Seems like he's doing everything to convince me that I don't need a man, after all, I have him. The Baker's Creek Billionaire Brothers series is a romantic comedy saga packed with the perfect mix of angst, tears, and laughs. If you like strong heroines & alpha males, steamy romances and witty love stories, this series is for you!

Snowbound. Sounds so romantic, with visions of cuddling before a roaring fire, hot chocolate spiked with brandy, and a secret elopement. Wait. What? My fiancé's father won't stop trying to turn our pending wedding into a three-ring media circus so he can get free publicity for his family's Fortune 500 company. My mother has decided she's done with All Things Wedding and asks her teacup Chihuahua for mother-of-the-bride advice. They've all gone certifiably mad. Then the stress from the wedding puts my mother in the hospital, I scream at my future father-in-law in front of a camera crew and the video goes viral, and the romantic wedding that started with Andrew's grand Pride and Prejudice proposal looks less like Jane Austen and more like Dostoyevsky. So what do you do when you're a fixer and you can't fix something? You give up on it. Not on Andrew, silly. The wedding. Shopping for a CEO's Wife is the 12th book in Julia Kent's New York Times bestselling Shopping series. As Shannon and Declan enjoy their newlywed bliss, Andrew's father wants to exploit Amanda and Andrew's nuptials, much to Amanda's chagrin. Can she learn to stand up to her future father-in-law and fight for what's right? But the real question is: will Spritzky the teacup Chihuahua end up being a flower girl?

Down on her luck, nursing student and full-time waitress Kara Foster gets a massive blow to her already desperate financial situation that will surely find her living on the streets. Needing nothing less than a miracle to save her, Kara gets rescue from an unknown, unlikely and overwhelming source. Billionaire Simon Hudson makes her an offer that is impossible to refuse, but terrifying to accept from a man that she's never met. Will the handsome, alpha billionaire really be a solution to her problems, or will he end up being a major complication and a danger to her emotional sanity? Reclusive billionaire Simon Hudson would rather be behind a computer creating computer games than rubbing elbows with the elite and he knows exactly what he wants...until he meets Kara Foster. Something about Kara touches Simon in ways he's never experienced and definitely doesn't like. For over a year, Simon watches over Kara, but stubbornly refuses to admit his desire to possess her, not even to himself. But when she ends up in a situation that could very well be her destruction, Simon steps up to help her, not realizing that in saving Kara, he might very well be salvaging his own soul.

A chance encounter between a secretive billionaire and a plus-size PR expert could be the perfect solution to both their problems - or a delicious scandal in the making - in New York Times best-selling author J. S. Scott's new British Billionaires series....I am the type of woman who always plays it safe. In my professional life as a public relations "fixer", and in my personal life, especially when it comes to the opposite sex. Really, who needs the wild highs and the I-want-to-die-because-he-left-me lows of a relationship? At least, that's what I thought...until I met him. Damian No-Last-Name-Given is sexy as sin, and I'd developed some kind of weird, instant attraction to him the moment he settled his chiseled body next to mine on a flight from London to Los Angeles. His sexy British accent did crazy things to my previously dormant female hormones, which had eventually led me to do the most impulsive thing I'd ever done in my entire life. I kissed him while everyone else in business class was sleeping. Or had he kissed me? All I knew was that we were both very willing participants, and that panty-melting embrace had rocked my entire world while it was happening. Unfortunately, that moment of spontaneity would haunt me once I found out Mr. British Hottie's true identity. He'd held his last name back for a reason. Oh no, I couldn't make some once-in-a-lifetime misstep with an ordinary businessman. When I screwed up, it had to be one for the record books, and it had to happen with one of the most powerful men in the world. And, oh yeah, he also absolutely had to be the biggest man-whore on the planet. Once I knew the truth, I could have easily convinced myself that the kiss wasn't all that earthshattering - if Damian Lancaster hadn't boldly swaggered into my office the very next day to apologize, and to make me a business offer I couldn't possibly refuse.... Goodbye sanity; hello madness.

Finally, a second chance. Yeah I'm rich, but it doesn't fucking matter if I'm empty inside. Harper is the only woman who has ever filled this crater in my chest and she just walked into my resort after 10 years. One look from her still makes me hard in two seconds flat. In high school, I followed Harper around like a dog wanting a bone. But I was too much of a dick to treat her the way she deserved, and now her guard is up. She can hate me all she wants. We're drawn together like magnets. And my instincts to possess her are fucking savage. This time she's mine.
