Konica Minolta USA's Corporate Video. Konica Minolta's corporate video provides a comprehensive look at the breadth of ways we are helping our customers work better and smarter. The video is a representation of who Konica Minolta is as a company today, our history and where we ' re going in the future.

At once a non-fiction thriller and a moral maze, this is one man's epic story of trying to find a safe place in the world. When Ali Al Jenabi flees Saddam Hussein's torture chambers, he is forced to leave his family behind in Iraq. What follows is an incredible international odyssey through the shadow world of fake passports, crowded camps and illegal border crossings, living every day with excruciating uncertainty about what the next will bring. Through betrayal, triumph, misfortune - even romance and heartbreak - Ali is sustained by his fierce love of freedom and family. Continually pushed to the limits of his endurance, eventually he must confront what he has been forced to become. With enormous power and insight, The People Smuggler tells a story of daily heroism, bringing to life the forces that drive so many people to put their lives in unscrupulous hands. It is an utterly gripping portrait of a man cut loose from the protections of civilisation, attempting to retain his dignity and humanity while taking whatever path he can out of an impossible position. 'This is a story that had to be told.' The Weekend Australian 'An engrossing account of a man seen by some as a saviour and others as a criminal. A significant book.' Thomas Keneally 'Gripping.' The Age 'Tight, powerful and extraordinarily well written a book which glories in the strength, courage and compassion of the human spirit.' The Drum 'Just mindblowing a moving saga of endurance and bravery.' The Australian Way (Qantas Magazine) 'A totally riveting story about a brave and honourable man. Passionate, vivid and true, it bounces off the page.' Rosie Scott

The Emily Post Institute, the most trusted brand in etiquette, tackles the latest issues regarding how we interact along with classic etiquette and manners advice in this updated and gorgeously packaged edition. Today ' s world is in a state of constant change. But one thing remains year after year: the necessity for good etiquette. This 19th edition of Emily Post ' s Etiquette offers insight and wisdom on a variety of new topics and fresh advice on classic conundrums, including: Social media Living with neighbors Networking and job seeking Office issues Sports and recreation Entertaining at home and celebrations Weddings Invitations Loss, grieving, and condolences Table manners While they offer useful information on the practical—from table settings and introductions to thank-you notes and condolences—the Posts make it clear why good etiquette matters. Etiquette is a sensitive awareness of the feelings of others, they remind us. Ultimately, being considerate, respectful, and honest is what ' s really important in building positive relationships. "Please" and "thank you" do go a long way, and whether it ' s a handshake, a hug, or a friend request, it ' s the underlying sincerity and good intentions behind any action that matter most.

The adored actress behind the character Nikki Newman of The Young and the Restless tells all in this scintillating memoir, divulging the insider details of her dramatic life and forty-year career. Melody Thomas Scott admits she is nothing like her The Young and the Restless role, which has seen it all in her forty-year tenure on America ' s highest-rated daytime serial. But the high drama, angst, and catastrophes aren ' t confined to her character ' s plotlines. In this

captivating memoir, Melody reveals behind-the-scenes tales of her own riveting journey to becoming an icon. As Nikki Newman went from impoverished stripper to resourceful, vivacious heroine—with missteps as gripping as her triumphs—Melody became a household name, enthralling audiences across the globe. But her road to stardom also had to be one to freedom marked by an escape fit for cinema. In *Always Young and Restless*, Melody tells of her troubled, untraditional upbringing for the first time. Readers will learn how she suffered at home with her hoarder grandmother, whose cruelty as her manager is shockingly extreme; abuse at the hands of industry men; the intensity of acting in feature films with Alfred Hitchcock and Clint Eastwood; and how she finally took control of her life and career, in a getaway move as daring as any on *The Young and the Restless*. And of course, Melody divulges forty years' worth of juicy on-and-off-set details of what it's like to be one-half of the show's most successful supercouple, “ Niktor, ” plus her personal path to healing, love, and family. In witty, warm prose, meet the shining, persevering heart of an American icon—and prepare to be moved by a life story fit for a soap opera star.

Designed to be a concise and easy-to-read reference manual that comprehensively covers the basics of every step of modern cataract surgery from preoperative evaluation to postoperative care. Detailed instructions and pearls are provided for each specific step. Each chapter contains a summary box which highlights the key points from each topic discussed. Additionally, images, diagrams, photographs, and tables are included to enhance understanding of specific topics.

This new edition of Friedman's landmark book explains the flattening of the world better than ever- and takes a new measure of the effects of this change on each of us.

The first and last word on the feature-packed new Windows 8 Windows 8 is an exciting new version of Microsoft's flagship operating system and it's packed with exciting new features. From the new Windows 82032s lock screen and the new Internet Explorer to a built-in PDF reader and new user interface, Windows 8 is not only a replacement for Windows 7 but a serious OS for today's tablet and touchscreen device users. Over 900 pages packed with tips, instruction, and techniques help you hit the ground running with Windows 8. Provides complete how-to coverage of Windows 8 in a thoroughly redesigned and revised new Bible from an expert author team Covers all the exciting new Windows 8 features, including the Windows 82032s lock screen, Internet Explorer Immersive, Modern Reader, a new interface, and more Helps new and inexperienced users, as well as those upgrading from Windows 7, Windows Vista, or Windows XP Also explores new connections to cloud applications and data, distributed file system replication, and improvements to branch cache Get the very most out of Windows 8, no matter what device you run it on, with Windows 8 Bible.

ADO.NET revolutionized the way data was accessed through SQL Server, Oracle, and MySQL. With Microsoft's release of ADO.NET 2, ADO and the .NET Framework are integrated with SQL Server for the first time-enabling you to program .NET applications directly within the SQL Server database. Packed with sample code and recommended best practices for using ADO.NET 2, this code-intensive book explores the new data types that are available in the 2.0 Framework and discusses the appropriate time and way to use them. You'll learn how to make repetitive, mundane tasks much simpler and you'll walk away with a solid foundation for developing database-driven applications. What you will learn from this book The basics of creating a connection, executing a query, and returning a result Best uses for Oracle in the ADO.NET Framework The many new features that are available for XML How to use the full text search capabilities of Microsoft(r) SQL Server 2005 Methods for retrieving data and presenting it in various ways Why MySQL is a viable option for data storage Who this book is for This book is for experienced database developers who want to learn the latest release of ADO.NET 2.0. Knowledge of ADO.NET 1.0, general .NET development, and Microsoft SQL Server is necessary. Wrox Professional guides are planned and written by working programmers to meet the real-world needs of programmers, developers, and IT professionals. Focused and relevant, they address the issues technology professionals face every day. They provide examples, practical solutions, and expert education in new technologies, all designed to help programmers do a better job.
