This book will show you how a simple writing tool can easily be turned into an effective self-defense weapon with just a little knowledge, practice, determination and imagination. This is to my knowledge, the first manual ever written that deals primarily with the use of the pen as a self-protection tool.

Some of the areas this book will cover include choosing the best pen for self-defense, carrying methods, how to grip the pen for most effectiveness, the right to self-defense and the law, vulnerable areas of the body and specific techniques and tactics to use the pen for self-defense. When you finish this text, you will

into spears and swords.

Understanding the basic use of the straight police baton makes it possible to use numerous other objects for self-defense.

In fact, the same techniques taught for using the police baton relate to a host of stick fighting and sword arts such as Hanbo- Jutsu, Jo- Jutsu, Wakizashi-Jutsu and similar weapon
