Based on the bestselling book by Philip Reeve, Mortal Engines tells the story of a dystopian future, where cities move on wheels across a barren earth. One day on London, a young, scarred girl named Hester Shaw meets with a boy named Tom Natsworthy, an outcast from London, and accompanied by the brave Anti-Traction League, must stop the villainous Valentine and an unfolding plot to destroy the world.

Mortal Engines (2018) - Plot Summary - IMDb

I bought Mortal Engines purely on spec, based on the blurb, and before the film appeared in cinemas. It is the first of a series of books, variously called The Mortal Engines or Predatory Cities Quartet, but it is self-contained. I gather the film has not been a commercial success, but I haven't seen it and am not reviewing it.

London is a city on wheels - a future city like you've never known before. In the terrible aftermath of the Sixty Minute War, cities which survived the apocalypse became predators, chasing and feeding on smaller towns. Now London is hunting down its prey, getting ready to feed. But as the chase begins, Tom uncovers a secret - a secret full of deadly consequences. Soon he is plunged into a world of unkillable enemies, threatened by a weapon that will tear his life apart... Winner of the Nestle Gold Award and the Blue Peter Book of the Year Award, this is a book to devour again and again.

While dealing with people from their past and treachery from unexpected sources, Tom, Hester, and Wren return to the radioactive cesspool known as London to save the world, in the thrilling conclusion to The Hungry City Chronicles.

It was a dark, blustery afternoon in spring, and the city of London was chasing a small mining town across the dried-out bed of the old North Sea. So begins Philip Reeve's Mortal Engines, the first book in his epic post-apocalyptic series of giant motorized cities on wheels. But how did the world end up like this? What led to the downfall of our civilization, and to the rise of the Traction Cities that roam the Great Hunting Ground to attack and devour each other? Now, for the first time, discover the untold future history of Traction. This lavishly illustrated book contains incredible tales of fearsome Zagwan warriors riding war-zebras into battle, daring air-traders flying the Bird-Roads in search of adventure, and the mysterious plague-ridden wasteland of the Dead Continent that was formerly known as 'North America'. This definitive companion guide includes detailed maps, fascinating character profiles, and stunning colour illustrations from incredible artists, including Ian McQue, David Wyatt, Aedd Fakhrie, Maxime Plasse, Rob Turpin, Philip Varbano and Amir Zand. MORTAL ENGINES is soon to be a major motion picture.
