Mr Tambourine Man is a rites of passage' story. A fictional tale of finding oneself, written in the first person with a gentle nostalgia at his coming of age in the sixties--the time of Bob Dylan, hitchhiking, road trips, hippies and traveling musicians. Written in the first person, and set in 1966 when revolution was in the air, the narrator, Nigel describes himself as someone whose only act of wilful rebellion so far is to hand homework in late. Following his more forceful friend's lead, he sets off from Morecambe Lancashire with Mike and guitars for a

idyllic pre-university trip hitching and busking their way to the South of France. But it isn't quite like the songs. En route they find reality, love and eventually themselves.

Based on more than one hundred first-person interviews, this thoughtful portrait of the Byrds creative genius Gene Clark reveals how he pioneered new sounds within rock music while serving as one of the main musical visionaries in the seminal 1960s group. Original.

In the process Varesi unearths new meaning in both Dylan's most famous works and in songs that have received less attention."--BOOK JACKET.

Venerated for his lyrics, Bob Dylan in fact is a songwriting musician with a unique mastery of merging his words with music and performance. Larry Starr cuts through pretention and myth to provide a refreshingly holistic appreciation of Dylan's music. Ranging from celebrated classics to less familiar compositions, Starr invites readers to reinvigorate their listening experiences by sharing his own—sometimes approaching a song from a fresh perspective, sometimes reeling in surprise at discoveries found in well-known favorites. Starr breaks down often-overlooked aspects of the works, from Dylan's many vocal styles to his evocative harmonica playing to his choices as a composer. The
