I wrote Music Theory for Producers because, as a producer, I didn't feel that there were any books on music theory that were designed specifically for my needs. Producers are an interesting group; they

Download Free Music Theory

aren't just musicians,
and they aren't just
engineers. They have to
have a little bit of
everything to get the job
done. This guide is a no-
frills look at music
theory that skips the less
important details and
goes straight to the
essential information.
You'll learn about
rhythm, harmony, and
melody, including

Download Free Music Theory For Producers

building chord progressions and writing instrumental hooks. The best part about this book is the song analyses. For every section, there are several songs that are broken down in terms of the chapter topic. With this guide, you 'll learn the theory behind:
