Once upon a time, there wasn't a song. Then, sometime later, there was. "How the \$&%! did that happen?" you might ask. *How to Write a Song (Even If You've Never Written One Before and You Think You Suck)* is the definitive, no-nonsense and 100% beginner-proof guide to writing original songs. Whether you're a complete beginner or a more experienced songwriter looking to improve your songwriting process, *How to Write a Song...* walks you through a powerful, stimulating but simple process you can use to create great songs, time after time. It's not a formula. It's not a songwriting 'method'. You'll craft every single note and word of your song. You'll write in any style you like. Meanwhile, you'll learn not just what to do but why you're doing it - so you can use those skills in every other song you create. You'll be guided step-by-step through how to find a great song idea, how to choose an effective title, how to craft a solid lyric, how to write catchy melodies and grooves, and how to combine all of those parts effectively into a complete song. And best of all, literally all you need get started is some basic experience on piano or guitar, or with a Digital Audio Workstation like Logic, Ableton or GarageBand. Everything else is inside.

This book provides clinicians (particularly those specialising in DBT) with music activities and creative ideas to implement with existing practices, to strengthen what clients are being taught in DBT skills groups. These new ideas can be used with clients individually, in groups, or be given as homework. The first part of the book consists of group activities for therapists and group leaders to use. In part two each DBT skill is presented with its own activity, written in with clear step by step instructions. The skills gained will be particularly beneficial for individuals who have difficulty regulating or dealing with their emotions and this guide improves clinicians' confidence and skill in aiding these individuals innumerable.

This Expanded Edition features even more insights on “ Weird Al ” Yankovic, including his activities during a tumultuous 2020 and 2021, diving deeper into the world of the iconic man who has made a career out of making us laugh. Funny music is often dismissed as light and irrelevant, but Yankovic ’ s fourteen successful studio albums prove there is more going on than comedic music's reputation suggests. Lily Hirsch weaves together original interviews with the prince of parody himself, creating a fresh take on comedy and music ’ s complicated romance. She reveals that Yankovic ’ s jests have always had a deeper meaning, addressing such topics as bullying, celebrity, and racial and gender stereotypes. The Expanded Edition celebrates Yankovic ’ s vast influence on musicians, comedians, and performing artists as well as what the man has meant to fans—in a time of uncertainty, Yankovic has served as a much-needed bright spot for many. From his love of accordions and Hawaiian print shirts to his popular puns and trademark dance moves, Weird Al is

undeterred by those who say funny music is nothing but a low-brow pastime. And thank goodness. With his good-guy grace still intact, Yankovic remains unapologetically and unmistakably himself. Reveling in the mischief and wisdom of Yankovic ' s over forty-year career, this book is an AI-expense-paid tour of a true comedic and musical genius.

The digital interactive projection system is a staple of nearly every music classroom in the United States. By allowing teachers to show students methods and outcomes from a computer, these systems have become a necessity for reaching students who grew up as digital natives. But, as author and distinguished music educator Catie Dwinal demonstrates, such systems can be much more meaningful pedagogical tools than simple replacements for chalk boards. In this book she offers practical tips, tricks, resources, and 50 activities ideal to use alongside classroom projection systems. She focuses especially on tips and activities for beginning teachers, giving them the confidence to take a step out of their comfort zone and learn new ways of engaging students with technology. More than this, she provides reference materials that will serve as a trusted reference resource for years to come.

In 'Music Criticism and Music Critics in Early Francoist Spain', Eva Moreda Rodríguez presents a kaleidoscopic portrait of the diverse and often divergent writings of music critics in the early years of the Franco regime. Carefully selecting contemporary writings by well-known music critics, Moreda Rodríguez contextualizes music criticism written during the Franco regime within the broader intellectual history of Spain from the nineteenth century onwards.--Publisher description.

A first-hand exploration of the diverse roles music plays in people's lives. My Music is a first-hand exploration of the diverse roles music plays in people's lives. "What is music about for you?" asked members of the Music in Daily Life Project of some 150 people, and the responses they received — from the profound to the mundane, from the deeply-felt to the flippant — reflect highly individualistic relationships to and with music. Susan Crafts, Daniel Cavicchi, and Project Director Charles Keil have collected and edited nearly forty of those interviews to document the diverse ways in which people enjoy, experience, and use music. CONTRIBUTORS: Charles Keil, George Lipsitz.
