election of its new president, Mwai Kibaki. By appointing respected longtime reformer John Githongo as anticorruption czar, the new Kikuyu government signaled its determination to end the corrupt practices that had tainted the previous regime. Yet only two years later, Githongo himself was on the run, having discovered that the new administration was ruthlessly pillaging public funds. "Under former President Moi, his Kalenjin tribesmen ate. Now it's our turn to eat," politicians and civil servants close to the president told Githongo. As a member of the government and the president's own Kikuyu tribe, Githongo was expected to cooperate. But he refused to be bound by ethnic loyalty. Githongo had secretly compiled evidence of official malfeasance and, at great personal risk, made the painful choice to go public. The result was Kenya's version of Watergate. Michela Wrong's account of how a pillar of the establishment turned whistle-blower, becoming simultaneously one of the most hated and admired men in Kenya, grips like a political thriller. At the same time, by exploring the factors that continue to blight Africa—ethnic favoritism, government corruption, and the smug complacency of Western donor nations—*It's Our Turn to Eat* probes the very roots of the continent's predicament. It is a story that no one concerned with our global future can afford to miss.

In *The Clue of the Linoleum Lederhosen*, Jasper, Lily, and Katie are enjoying a restful mountain lodge vacation when they stumble across a mystery involving duct tape, diamonds—and Bavarian folk pants!

The sequel to *Lead Me Not*, this dangerously sexy second installment in the *Twisted Love* series continues Aubrey and Maxx's love story, from New York Times bestselling author A. Meredith Walters—who “writes the most beautifully flawed characters that still have you swooning” (Sawyer Bennett, *USA TODAY* bestselling author of the *Off* series). Aubrey Duncan has loved...and lost. Should she follow a heart that's betrayed her or a head that tells her to let go? Maxx Demelo's addiction almost destroyed him. It ruined his life and, most importantly, his relationship with the only girl he ever loved. He has vowed to become the man Aubrey Duncan deserves. Even if he has to tear himself apart to do it. So he enters rehab, trying to fix the parts of him that are shattered as he longs to be healthy and whole. Aubrey lost everything because she chose to listen to her heart. Now she has sworn to put herself first, to heal in the only way that she can...far away from Maxx and his demons. But just as Aubrey is starting over, Maxx is released from rehab and thrust back into her world, determined to prove how much they still need each other. And the chaos that had defined them threatens to unleash once again... But a heart, no matter

how broken, is impossible to ignore.

Blossoms of the Savannah is the story of two sisters, Taiyo and Resian, who are on the verge of womanhood and torn between their personal ambitions and the humiliating duty to the Nasila tradition. Relocation to their rural home heralds a cultural alienation born of their refusal to succumb to female genital mutilation and early marriages. In pursuit of the delicate and elusive socio-economic cultural balance in Nasila, Ole. Kaelo, the girls' father is ensnared by a corrupt extortionist. To extricate himself he sends his daughters into a flat-spin labyrinth from which they have to struggle to escape.
