For Tobin and Delia, everything was always equal. A bargain, a trade, a deal to be struck. A kiss for a kiss. Your shirt for mine. Break my heart, I'll break yours. Their disastrous split was no different. Tobin's spent the last year pretending Delia never existed, and Delia's been in D.C., pretending to be anything but the country girl that she is. When tragedy brings her back to town, Tobin and Delia realize that time apart hasn't healed either one of them. But staying away from each other is harder than they imagined, especially in small town Louisiana, and old feelings are quickly brought back to the surface. In the mess they've created, is there anything to be salvaged of a love that they both thought would be forever?

This work is the result of the fifth Symposium in the University of Ottawa Symposia series which focused on the life and work of Isabella Valancy Crawford (1850-1887). Acclaimed scholars of Canadian Literature joined to speak on Crawford's life, read and listen to her poetry, and critically examine some of her major works. Contributors include Dorothy Livesay, Penny Petrone, Margo Dunn, John Ower, Orest Rudzik, Elizabeth Waterston, Fred Cogswell, Kenneth Hughes, S. R. MacGillivray, Catherine Ross, Louis Dudek, Anne Paolucci, and Clara Thomas.

"If you love Joan, you'll love this book!" - Terry Castle, daughter of William Castle (director, *Strait-Jacket*. *I Saw What You Did*; producer, *Rosemary's Baby*) Illustrated with over 300 photos, many of them rare and never before in print, *JUST JOAN* is a compilation of over four years of comprehensive research, culled from rare Lincoln Center archives, original magazines and those who knew her. Crawford is examined as a feminist forerunner, a gay icon, a dynamic artist, and as one of the world's great movie stars. The many anecdotes and quotes within *JUST JOAN* reveal the sassy, indomitable spirit of this actress who grew up in abject poverty with an indifferent family and yet, against unseemly strife and setbacks, rose from the ashes like a phoenix. Her determination, talent and committed work ethic enabled her to find a career and home with what would be one of the most celebrated and powerful studios in film history, MGM. Hers is the moving, complex story of the pursuit and realization of the American Dream, part sublime, part nightmare, self-actuated. With rich detail and devotion, *JUST JOAN* bears testament to Crawford's enduring enigma and powerful star. "If Joan Crawford was the ultimate star then Donna Nowak is the ultimate fan. She appreciates this complex subject for her skill as an actress, her importance as a pop culture icon, as well as displaying a fine sense of humor for Crawford's more lurid notoriety. Nowak has a fervor, devotion, and attention to detail that even the fastidious Crawford would cheer." - Charles Busch

"Intelligent, insightful, witty - Donna Nowak's essays and reviews on the style, work and life of Joan Crawford would have compelled the Ultimate Star to officially adopt her as the devoted creative daughter

A Kirkus Reviews Best Young Adult Book of 2020 Family isn't something you're born into - it's something you build. One young woman's journey to find her place in the world as the carefully separated strands of her life - family, money, school, and love - begin to overlap and tangle. All sixteen-year-old Izzy Crawford wants is to feel like she really belongs somewhere. Her father, a marine, died in Iraq six years ago, and Izzy's moved to a new town nearly every year since, far from the help of her extended family in North Carolina and Puerto Rico. When Izzy's hardworking mom moves their small family to Virginia, all her dreams start clicking into place. She likes her new school—even if Izzy is careful to keep her scholarship-student status hidden from her well-to-do classmates and her new athletic and popular boyfriend. And best of all: Izzy's family has been selected by Habitat for Humanity to build and move into a brand-new house. Izzy is this close to the community and permanence she's been searching for, until all the secret pieces of her life begin to collide. *How to Build a Heart* is the story of Izzy's journey to find her place in the world and her discovery that the choices we make and the people we love ultimately define us and bring us home.

If you love Donna Douglas' *Nightingale Girls* and the nurses of Nadine Dorries' *Lovely Lane*, be prepared to fall in love with April, Eugenie, Bess and Nancy as they band together to support each other through love, loss and scandal. In wartime, can new hope still be found? When her beloved father is killed in the Blitz, trainee nurse April Harvey is left all alone in the world. Desperate to find the family she craves, she heads to Truro, her mother's home town. But danger and heartbreak lurk even in Cornwall, and when the American G. I.s arrive, April finds her life turned upside down as she discovers that some people are not to be trusted. Especially when it comes to her budding romance with Major Crawford Dunbar. As vicious rumours emerge, April fears there will never be a future for them. But if war has taught her anything, it is that you must grasp happiness where you can, and April is not prepared to give up without a fight . . .
