Rekindling the Inner Fire Writings that touch the pure-flaming heart of God ... from the men and women who walked with Him through the ages ... guiding into a deeper friendship with the "Father of Lights." John of the Cross (1549-1591) was one of the brightest spiritual lights of the dark and tumultuous 1500s. Through great opposition and danger, John taught countless men and women how to find freedom in the Spirit. John's words and deep understanding of spiritual truth will also help you find a richer experience of God, leading you to: a fresh infilling of the love of the Father. renewed wonder at the beauty and holiness of Jesus, our Lord and brother. the discovery of the Holy Spirit's presence, helping you daily, with new strength and freedom from within. Writing this book has been a journey of spiritual and emotional cleansing and healing for me. I needed to write it as much for myself as for others. My goal was to write this book in a way that points others to Christ. It begins where I begin! Beginning with the day I was born and up to present day, showing how God's hand was on my life through it all. I have been transparent about the ugly things that have been done to me and that I have done to myself. My desire is to give others the tools to free themselves from Satan's hold and how to remain free. I have made some poor choices in my life. I want people to know that no matter how far they have walked away from God, it only takes one step to come back to Him. Many people struggle with feelings of loneliness every day. It is my goal to help them see that they are never alone. God is always with them and has great love for them. So great, in fact, that He sent His Son to die for them on Calvary. When under attack by Satan, we can find strength in the Lord. More than any other time in history, marriages are under attack. Divorce rates are skyrocketing. I want people to know that freedom is not in divorce but in the Lord and the finished work on the cross at Calvary. My heartfelt prayer is that through this devotional others will draw closer to God.

The conclusion of the daily devotions on prayer for physical healing! Sickness and miraculous healing are shrouded in mystery. Not many know how to pray for themselves or a loved one when they are sick. Not only that, most people don't feel confident that God is willing to help them when they pray. After John W. Nichols (author of GOD is HERE) discovered his daughter had many symptoms of autism, he began reading the Bible with new eyes, trying to understand healing for today. Soon he felt impressed to fast for 7 weeks and pray through Scriptures about healing daily. Healing is Here: A 49-Day Devotional Journey of Healing Through the Bible, compiles the author's notes and prayers during his fast. It has been organized to apply to anyone who wants to learn about healing at their own pace, with Scriptural support, suggested prayers, and journaling prompts. (There is no requirement to fast while going through this devotional) John systematically teaches the mysteries he has unlocked over the course of four years of studying and applying Biblical Christian healing. He wrote this devotional with the hope of helping others who are in similar circumstances: those who desperately need healing, aren't sure how to pray, and are wondering if God is willing to help. Week 7 covers verses that reveal:

- The importance of not agreeing with sickness
- How to start small and grow in ministry and spiritual gifts
- What anointing with oil has to do with healing
- How to have boldness in opposing the norm
- How we need to continue to pursue representing Jesus even though we aren't perfect
- The part that doing what you couldn't do before has to do with healing
- How we must have patience when waiting for healing

Over the course of the full 49 days you will discover:

- What is God and Jesus's

will regarding healing • How Jesus fulfilled prophetic verses of healing • How God ' s will is accomplished • What we can learn from the remarkable similarity between salvation and healing • What do covenants have to do with sickness and healing • How to receive the same blessings God promised His people in the Bible • How God disciplines and teaches us • What faith has to do with healing • What we can learn about God by looking at Jesus in the gospels • How sin and righteousness affects healing • What the Bible teaches us about evil spirits • How Jesus showed us to fight the enemy, and how to be equipped for that fight • How Satan attacks, and what we can do about it • What Jesus told His disciples (and us) to do • What is the right atmosphere for healing • How to exercise and apply Jesus ' s name, authority, anointing, and blood • How fear and doubt play into sickness and how to overcome them • How to heal the soul (thoughts and emotions) • What are the promises and benefits of God, and how to claim them • How fasting affects healing • Many surprising (and practical) elements of healing seen in the Bible which can be applied today Don ' t forget to get the free resources linked within the book! "What I love about this devotional is that it answers questions about healing (mentally, physically, spiritually and emotionally) in such a relatable way. Each devotional is loaded with Bible verses, a prayer and thought provoking questions to help you journal your journey to healing and restoration. This is a must read for anyone from the new believer to the person that's walked with Christ their whole life. You will gain new understanding of the Scriptures and insight into who God is and how He wants to heal you." — Chris Hendrix, Author of Devotional Guide to Stretching Your Faith, Devotions By Chris, DevotionsByChris.com "Healing is Here is a powerful resource for those pursuing physical healing in their bodies. Written with gentleness and humility, he addresses so many deep concepts in a way that quietly unravels the bad theology we've so often been taught. Jesus truly was Healer while on earth, and His Father is no different. This book is written in an accessible weekly format, so the ideas can be revisited easily as necessary. Healing is part of our portion as believers, so don't live another day sick. Pick up this book and get grounded in what the eternal Word has to say about wholeness in your body!" — Andrea Joy Moede, Writer, Coach, Speaker, Author of Misunderstood, Path of Truth, and God is Light, AndreaJoy.org "I had such a leap in my spirit that this book is going to be so anointed for the times we are in. The introduction and first devotional gave me a hunger to know more about healing." — Danielle Edens, Author of Breaking Out of the Cocoon, Founder of Second Chance Dreamers "John Nichols is an example of a young man whose life has been marvelously transformed when he surrendered to Christ. He now lives to share what he has learned with others. His Bible-based teaching will lead every follower of Jesus into a deeper, more joyful walk." — Joanne Hillman, Author of Listening Prayer, A Perfect Marriage, Song of Salome, and more, JoanneHillman.com

this curricula is part of my personal journey. I poured my heart and spirit into it. It is not a pure theological essay, but a blend of experience and theology. The fathers of the Church throughout history underlined two important conditions in studying the Bible and writing theology: the first is to read the Bible communally within Christ ' s body, the Church. The exegesis is an ecclesial task that takes place within the Church and for the Church. The second is to read the Bible within the context of practice of prayer, worship and spiritual formation. The fathers insisted on the connection between spiritual well being, life in the Church and commentary on the Church book. I have faithfully endeavored to follow the instructions of the fathers. My hope is that the reader of this book, or the group that will share this journey, will realize that this voyage is the culmination of almost 10 years of daily reflection and analysis of the problems that our teenagers face in their daily lives. It is the reply to many prayers and personal devotions. Its ultimate purpose is to help our youth build a personal and intimate relationship with our Lord Jesus Christ.

My thoughts were, when I discovered that I had ADD, "Well my life is mostly over and now I find out that I have ADD. What could I have accomplished had I known about it when I was younger and could have possibly made the right adjustments to succeed where instead I merely stumbled?" A question... Yet that question, like any other question, is something you don't sit on. Because if you do, you really don't want the answer, you want to wallow in self-pity. But if one pursues it, even when some aspects of it appear to be (at least in our lifetime) unanswerable, one pursues their life. Answers will come. And sometimes they will come in unexpected ways that words can't quite express. Yet our hearts can feel those answers...and they can take you to places that you never thought you could ever go to. If your heart is touched and if you keep on following forward, you'll indeed find yourself in places that you would have never thought of. But please don't stop! That's the purpose of this book, "A DEVOTIONAL FOR THE DEPRESSED AND THE INSANE". We get stuck. I believe that a great deal of humanity , me included, just give up. We settle. But...what if we're not meant to settle, to give up? Then maybe we were meant to live, to really live!...to our dying breath (and maybe even beyond that...)? Who knows? If we're not supposed to surrender ourselves to the well-that's-just-the-way-it-is mentality then, for sure, we stand a chance of finding ourselves depressed and, maybe, a little insane if we do surrender. This book is for whoever picks it up. This book is for whoever is struggling. Each day a moment to read and then answer a question or two; just for yourself. Write them down in the NOTES/THOUGHTS part if you want to. It will become your book. If you pursue those questions and those answers, it will become a chronicle of your journey, your adventure... No longer a devotional. But your story. ...The devotional will become a story...about you.
