My story is the story of Kamala Das, a woman born in a conservative society of Kerala. In the book, she explores the desires of women of that era who were bound by tradition and had no say in any matters. It is not a continuous story but rather a collection of incidents based on the lives of various women the author came across in her life.

still considered taboo. Depicting the author's intensely personal experiences in her passage to womanhood and shedding light on the hypocrisies that informed traditional society, this memoir was far ahead of its time and is now acknowledged as a bona fide masterpiece.

Written at the height of her fame but not published until over a decade after her death, this autobiography of actress and sex symbol Marilyn Monroe (1926-1962) poignantly recounts her childhood as an unwanted orphan, her early adolescence, her rise in the film industry from bit player to celebrity, and her marriage to Joe DiMaggio. In this intimate account of a very public life, she tells of her first (non-consensual) sexual experience, her romance with the Yankee Clipper, and her prescient vision of herself as "the kind of girl they found dead in the hall bedroom with an empty bottle of sleeping pills in her hand." The Marilyn in these pages is a revelation: a gifted, intelligent, vulnerable woman who was far more complex than the unwitting sex siren she portrayed on screen. Lavishly illustrated with photos of Marilyn, this special book celebrates the life and career of an American icon--from the unique perspective of the icon herself.

An astonishing adventure into the heart of one India's most controversial writers.

"I feel a woman is most attractive when she surrenders to her man. She is incomplete without a man," averred Kamala Das shortly before her death in May, 2009. One of the most controversial and celebrated Indian authors, she combined in her writings rare honesty and sensitivity, provocation and poignancy. *The Kept Woman and Other Stories* explores the man-woman relationship in all its dimensions. Deprived, depraved, mysterious, mystical and exalted, each character, culled from experience and observation, is an incisive study of love, lust and longing.

A major poet in English, Kamala Das's taboo-breaking work explores themes of love and betrayal, the corporeal and the spiritual, while celebrating female sexuality and remaining deeply rooted in the poet's ancestral tradition and landscape. A rigorous selection from her oeuvre—six published volumes and other uncollected and previously unpublished poems—this edition offers a unified perspective on her poetic achievement. An illuminating introduction to her poetry by Devindra Kohli traces the sources of its ferment, and showcases its

originality of style and its acts of resistance.

This is an anthology of short poems, fiction and nonfiction pieces by Kamala Das To the Indian reader of fiction and poetry, Kamala Das (1934-2009) needs no introduction. Her novels, collections of poetry and short stories in English and Malayalam - and indeed her life itself - have both challenged and redefined the boundaries of middle-class morality. Her sensational autobiography, published in English as *My Story*, created a storm in literary circles and established her as the iconoclast of her generation. Her conversion to Islam in 1999 at the age of sixty-five sent social and literary circles into another tizzy. *Wages of Love: Uncollected Writings of Kamala Das* brings together stories, plays, poems and non-fiction writing that have previously not been anthologized. While 'The Fair-Skinned Babu' is the sardonic tale of an author who has become a Muslim searching for a contract killer to commission her own killing, 'Neipayasam' is the poignant story of a father feeding his children the delicious dessert prepared by their mother whose death that morning the children are too young to comprehend. In one of her essays, she writes about contesting the parliamentary election in 1984 and, in

another, about Khushwant Singh's allegation that she had manipulated her nomination for the Nobel. Expertly compiled by Suresh Kohli, and including a heartfelt introduction by him, *Wages of Love* revives the free soul and literary genius that was Kamala Das.

Poetry. Asian Studies. "For over 40 years, Kamala Das, considered India's 'Poet Laureate,' has set a bold new tone for India's women, poor and disenfranchised. Now her message comes to the United States in her first American book--ENCOUNTERING KAMALA. When no one else dared, a young woman named Kamala Das took a poetic stance for those who had no voice in India. Her powerful words helped slowly change India's views on the role of women--to the point where its first female president was recently elected. Now in this book, Kamala speaks to all, touching on elements common to people worldwide: love, hope, despair, religion, and old age. ENCOUNTERING KAMALA: SELECTIONS FROM THE POETRY OF KAMALA DAS, INDIA'S POWERFUL VOICE FOR CHANGE features works previously published around the world, plus poems for her new audience. Also included are original drawings, photographs, and her personal correspondence with Andrew Arkin, longtime friend and publisher of this book. Encountering Kamala captures the courageous spirit of a Nobel Prize-nominated poet. "Kamala Das's poems epitomise the dilemma of the modern Indian woman who attempts
