Discusses the facts, habits and behaviors of giraffes.

Safari day dawns on the savanna. The African light gives the sky colors seen nowhere else on Earth. Soon, an amazing array of wild animals are yawning, screeching, and growling to life. Meet the elephants, lions, giraffes, zebras, hippos, and the laughing hyenas of the wilderness and find out who ' s friends with whom and why! National Geographic supports K-12 educators with ELA Common Core Resources. Visit www.natgeoed.org/commoncore for more information.

Presents an introduction to polar bears, describing their habitat, physical characteristics, life cycle, eating habits, and behaviors, and looks at the life of a polar bear cub.

Describes the habitat, food habits, and social behaviors of meerkats, and explains how they protect themselves from predators.

Discusses the characteristics and habits of giraffes.

Did you know that giraffe tongues are dark in color? Scientist believe the color protects them from the hot sun of the savanna. In this engaging title, bright photos and low-level text introduce young readers to giraffes and their adaptations to the grassland biome. Graphics about range, diet, and physical adaptations further illustrate how giraffes survive in the hot, dry savanna.

Learn all about the fascinating lives of llamas—including what they eat, where they live, how they help people, and their behaviour in this new National Geographic Kids Reader. The level 1 text provides accessible, yet wide-ranging, information for beginner readers. National Geographic Kids Readers have been a hit in the beginning reader category, and this book builds on that success with the same combination of careful text, brilliant photographs, and fun approach to high-interest topics, such as llamas, that has proved to be a winning formula with kids.

Adorably cute and amazingly fast, the cheetah is a perennial favorite among kids. This National Geographic Reader will delight kids with beautiful photographs and mind-boggling facts about this majestic and mysterious cat. Did you know a cheetah can go from 0 to 60 mph in less than 3 seconds? True to the National Geographic Kids ' style and trusted reputation, snack size bites of information provide easily digestible learning that fulfills both the reader ' s curiosity and sense of achievement. National Geographic supports K-12 educators with ELA Common Core Resources. Visit www.natgeoed.org/commoncore for more information.
