Koch Theater come to life in this onomatopoeic representation of a little girl's experience at the ballet. From the swish of her dress and the tick-tick-tick of the conductor's baton to the twelve bongos of the clock and the pitter-patter of dancers' feet, this special evening is filled with sensory treats for the eyes and especially the ears. And did she enjoy the ballet? The answer is a big smooch on her father's cheek. Written by Mireille Messier, Nutcracker Night is a celebration of a Christmas classic that is often a child's first experience of the ballet. Award-winning illustrator Gabrielle Grimard infuses each scene with warm holiday colors and a richness that will make young readers feel they are really there. An author's note enriches the text with further information and a brief summary of the famous ballet.
