Witnesses include: Rep. Howard Coble, Chmn., House Subcommittee on Courts and Intellectual Property; Gabriel A. Battista, CEO, Network Solutions, Inc.; Michael K. Kirk, Exec. Dir., Amer. Intellectual Property Law Assoc.; Hon. Bruce A. Lehman, Assist. Sec. of Commerce and Commissioner of Patents and Trademarks, Patent and Trademark Office, U.S. Dept. of Commerce; David Stimson, Pres., Int'l. Trademark Assoc.; Douglas Wood, Exec. Partner, Hall, Dickler, Kent, Friedman and Wood, for the Coalition for Advertising Supported Information and Entertainment (CASIE); and John Wood, Senior Internet Consultant, Prince, PLC.

This is the first practical treatise of its kind to approach trademark law from a fully integrated legal and business perspective. It walks you through the major areas of trademark practice: selecting and adopting trademarks; perfecting, exploiting, and maintaining trademark rights, asserting and defending against trademark claims; and business issues in trademark ownership. You'll find clear, concise explanations and illustrative case examples to help you take a course of action in the full range of business scenarios. This book covers every key area, including trademark selection and adoption -- trademark registration -- trade dress; conducting due diligence -- fair use of the trademarks of others -- enforcement letters -- and more.

InfoWorld is targeted to Senior IT professionals. Content is segmented into Channels and Topic Centers. InfoWorld also celebrates people, companies, and projects.

For more than 20 years, Network World has been the premier provider of information, intelligence and insight for network and IT executives responsible for the digital nervous systems of large organizations. Readers are responsible for designing, implementing and managing the voice, data and video systems their companies use to support everything from business critical applications to employee collaboration and electronic commerce.

Representing the Corporation gives you the inside track on understanding the legal services the corporation is really seeking from its counsel. Richard H. Weise shares his 30 years of experience in

corporate legal affairs to show you how to develop practices that are in tune with the needs and requirements of the client. Weise offers valuable guidance to in-house counsel and practitioners on: Getting client feedback effectively -- Developing a healthy interdependent relationship with the client -- Implementing an effective dispute resolution strategy...an important client satisfier -- Helping a client with ethics management issues -- Offering the client a "no surprises" covenant. -- Working with the client on important compliance issues and crisis management. -- Plus leading-edge coverage of vital topics such as the law of the Internet, international corporate practice, intellectual property, securities law, government contracting, tax, mergers and acquisitions, and more.Representing the Corporation contains a wealth of adaptable sample forms, checklists, spreadsheets, in-house reports, and manuals for your particular situation.
