This feels like the book Jackson was born to write." --Lee Child, New York Times bestselling author Named a Best Book by USA Today - People - The Wall Street Journal - Time - Entertainment Weekly - Bustle - and many more! From New York Times bestselling author Joshilyn Jackson, a twisting novel of domestic suspense in which a group of women play a harmless drinking game that escalates into a war of dark pasts In this game, even winning can be deadly... Amy Whey is proud of her ordinary life and the simple pleasures that come with it--teaching diving lessons, baking cookies for new neighbors, helping her best friend, Charlotte, run their local book club. Her greatest joy is her family: her devoted professor husband, her spirited fifteen-year-old stepdaughter, her adorable infant son. And, of course, the steadfast and supportive Charlotte. But Amy's sweet, uncomplicated life begins to unravel when the mysterious and alluring Angelica Roux arrives on her doorstep one book club night. Sultry and magnetic, Roux beguiles the group with her feral charm. She keeps the wine flowing and lures them into a game of spilling secrets. Everyone thinks it's naughty, harmless fun. Only Amy knows better. Something wicked has come her way--a she-devil in a pricey red sports car who seems to know the terrible truth about who she is and what she once did. When they're alone, Roux tells her that if she doesn't give her what she asks for, what she deserves, she's going to make Amy pay for her sins. One way or another. To protect herself and her family and save the life she's built, Amy must beat the devil at her own clever game, matching wits with Roux in an escalating war of hidden pasts and unearthed secrets. Amy knows the consequences if she can't beat Roux. What terrifies her is everything she could lose if she wins. A diabolically entertaining tale of betrayal, deception, temptation, and love filled with dark twists leavened by Joshilyn Jackson's trademark humor, Never Have I Ever explores what happens when the transgressions of our past come back with a vengeance.

A hilarious, quirky, and unflinchingly honest memoir about one young woman's life-long (and totally unsuccessful) search for love. "I've been single for my entire life. Not one boyfriend. Not one short-term dating situation. Not one person with whom I regularly hung out and kissed on the face." So begins Katie Heaney's memoir of her years spent looking for love, but never quite finding it. By age 25, equipped with a college degree, a load of friends, and a happy family life, she still has never had a boyfriend...and she's barely even been on a second date. Throughout this laugh-out-loud funny book, you will meet Katie's loyal group of girlfriends, including flirtatious and outgoing Shylee, the wild child to Katie's shrinking violet, as well as a whole roster of Katie's ill-fated crushes. And you will get to know Katie herself -- a smart, modern heroine relaying truths about everything from the subtleties of a Facebook message exchange to the fact that "Everybody who works in a coffee shop is at least a little bit hot." Funny, relatable, and inspiring, this is a memoir for anyone who has ever struggled to find love, but has also had a lot of fun in the process.

"Am I dead?" Mebuyen sighs. She was hoping the girl would not ask. Spells and stories, urban legends and immigrant tales: the magic in Isabel Yap's debut collection jumps right off the page, from the joy in her new novella, "A Spell for Foolish Hearts" to the terrifying tension of the urban legend "Have You Heard the One About Anamaria Marquez."

Are you tired of hearing the same questions being asked over and over again during drinking games? Want to add some originality? As a British university student, nothing gets me more excited than going to my friends' houses for pre-drinks before heading out for the night. Every student has their favorite drinking games! But let's face it; they can get a little repetitive... especially when you're out 3 nights a week! In this book, you'll find 3 different drinking games with 1000 questions in total. We all love getting to know our friends a little better, right? So, here's your chance to ask the questions you'd love to know the answers to... Never Have I Ever Everybody's heard of this game before, right? A statement is read aloud, and if you've done what the statement says before, you take a drink! Take it to the next level, with 600 statements split over 25 different rounds! It's the best way to discover things you never knew about your friends, whether they're dirty, illegal, or just plain embarrassing! There's also an added twist... The reader has the ability to make a player tell the story behind their confession only three times every round. Refuse to tell? Take a drinking punishment. Tell the truth? You can punish any player of your choice! Truth or Dare Truth or Dare; everybody's childhood favorite! With a total of 200 extremely uncomfortable questions split over 10 rounds, you might not be able to see by the end of the book! If a player truthfully answers the question they are asked, they have the power to make any player of their choice take a sip of their drink. If they refuse, they take a more severe punishment that is pre-determined at the beginning of the round. Simple! Would You Rather? A traditional favorite. There are 200 questions, each with 2 possible alternatives. Players must answer which option they'd prefer by either raising their hand or

keeping it down. Players that disagree with the reader must take a drink. But it's not just as simple as that... If only one player disagrees with the reader, they face a stronger punishment. To make it even better, if everybody disagrees with the reader, the reader must face an even stricter punishment! Call it the battle of wits between the wedding planner and the divorce attorney. Trouble is, when we're forced into closer quarters planning an engagement party for our best friends, I start to see his other sides. And I fear I'm falling for the enemy. *** I'm not out to make friends. My goals are simple -- fight till the end for my clients, and my family. The last thing I need is a vibrant, outgoing, snarky, and surprisingly big-hearted wedding planner to spend my precious free time with...except, watching Piper bond with my daughter just might break down the cinder block walls I've built around my heart these last few years. Second chances don't come around for guys like me...or do they?

Astrophysicist-in-training Piper Minogue has a lot of control over her day-to-day life. Between completing a Master's degree at Caltech and beginning her fruitful career at a local observatory she has little time for socializing. Until she attends one specific party that is. There, Piper is introduced to a drinking game called Never Have I Ever, and she finds herself admitting to a secret fantasy which challenges her friends' views of her otherwise prudish nature. Her confession piques the interest of one man in particular, Noah; a handsome stranger with a darkly boyish charm. The resulting spiral of rapture and torture that follows is threatened by the demons of both their pasts. Piper's inability to give her heart to anyone, and Noah's guilt over the death of his former lover claw to the surface to tear Piper away from not only the one man who has ever made her feel like she does not have to be in control of her desires, but also the newly collected list of Nevers they both want to turn into reality. *Contains strong BDSM themes*

My perfect life was a lie. Now I'd do anything to uncover the truth. Not long ago, I had everything a girl could wish for: amazing friends, an adorable boyfriend, a loving family. But none of them know that I'm gone—that I'm dead. To solve my murder, my long-lost twin sister, Emma, has taken my place. She sleeps in my room, wears my clothes, and calls my parents Mom and Dad. And my killer is watching her every move. I remember little from my life, just flashes and flickers, so all I can do is follow along as Emma tries to solve the mystery of my disappearance. But the deeper she digs, the more suspects she uncovers. It turns out my friends and I played a lot of games—games that ruined people's lives. Anyone could want revenge . . . anyone could want me—and now Emma—dead. From Sara Shepard, the #1 New York Times bestselling author of the Pretty Little Liars books, comes a riveting series about secrets, lies, and killer consequences.
