Car values fluctuate wildly, never more so than in our current economic environment. Pricing information is a must for collectors, restorers, buyers, sellers, insurance agents and a myriad of others who rely on reliable authoritative data. With well over 300,000 listings for domestic cars and light trucks, and various import vehicles manufactured between 1901 and 2012, this is the most thorough price guide on the market. This invaluable reference is for the serious car collector as well as anyone who wants to know the value of a collector car they are looking to buy or sell. Prices in this must-have reference reflect the latest values, in up to six grades of condition, from the esteemed Old Cars Price Guide database. New information for the most recent model year will also be added to our new Old Car Report database.

Covers U.S. and Canadian models of Nissan 350Z & Infiniti G35. Does not include Infiniti G37 models.

Steers buyers through the the confusion and anxiety of new and used vehicle purchases like no other car-and-truck book on the market. “ Dr. Phil, ” along with George Iny and the Editors of the Automobile Protection Association, pull no punches.
