'WERE NOT JUST HERE TO TAKE PART - WERE HERE TO TAKE OVER' Conor McGregor is the biggest star in the fight game. The Dubliner has achieved more in three years with the Ultimate Fighting Championship than anyone in the twenty year history of the organization. From an unknown prospect in 2013 to the first man to hold two world titles simultaneously, McGregor's knockout-filled march through the featherweight and then lightweight rankings sent shockwaves through the world. But as effortless as McGregor's heroics have seemed, his journey was far from smooth and his destiny anything but certain. Just another teenager trading martial arts techniques with his friends in a shed, the seemingly delusional boy packed in his plumbing gig - to the massive anxiety of his parents - to chase a pipe dream with little promise of reward. No one could have guessed he would go on to become the biggest pay-per-view attraction in the world. As a technician and tactician inside the cage, McGregor was something special. Outside of the cage McGregor could draw thousands of screaming fans to press events with his wit and presence. And away from the cameras, McGregor's life was built around a love of treating his friends and a loyalty to his teammates and his hometown. This is not another tale about an athlete who was born exceptional and groomed for success. It is about how one young man, through bloody-minded determination and indomitable spirit, came to change the whole game. From Crumlin to Las Vegas and from the cage to the cars, Notorious: The Life and Fights of Conor McGregor explores not just how the fight game changed Conor McGregor, but how Conor McGregor revolutionized the fight game.

"Exquisitely written and richly detailed, My Notorious Life is a marvel. Kate Manning's rags-to-riches Dickensian saga brings to vivid life the world of nineteenth-century New York City, in all its pitiful squalor and glittering opulence. I loved this novel." —Christina Baker Kline, New York Times bestselling author of Orphan Train A brilliant rendering of a scandalous historical figure, Kate Manning's My Notorious Life is an ambitious, thrilling novel introducing Axie Muldoon, a fiery heroine for the ages. Axie's story begins on the streets of 1860s New York. The impoverished child of Irish immigrants, she grows up to become one of the wealthiest and most controversial women of her day. In vivid prose, Axie recounts how she is forcibly separated from her mother and siblings, apprenticed to a doctor, and how she and her husband parlay the sale of a few bottles of "Lunar Tablets for Female Complaint" into a thriving midwifery business. Flouting convention and defying the law in the name of women's reproductive rights, Axie rises from grim tenement rooms to the splendor of a mansion on Fifth Avenue, amassing wealth while learning over and over never to trust a man who says "trust me." When her services attract outraged headlines, Axie finds herself on a collision course with a crusading official—Anthony Comstock, founder of the Society for the Suppression of Vice. It will take all of Axie's cunning and power to outwit him in the fight to preserve her freedom and everything she holds dear. Inspired by the true history of an infamous female physician who was once called "the Wickedest Woman in New York," My Notorious Life is a mystery, a family saga, a love story, and an exquisitely detailed portrait of nineteenth-century America. Axie Muldoon's inimitable voice brings the past alive, and her story haunts and enlightens the present.

This runaway bestseller, brought to you by the attorney founder of the Notorious RBG Tumblr and an award-winning feminist journalist, is more than just a love letter. It draws on intimate access to Ginsburg's family members, close friends, colleagues, and clerks, as well as an interview with the Justice herself. Edward Zane Carroll Judson aka Ned Buntline (1821–1886) was responsible for creating a highly romantic and often misleading image of the American West, albeit one that the masses found irresistible in the mid-to-late nineteenth century. Some scholars estimate that he wrote at least four hundred dime novels over his lifetime, and perhaps as many as six hundred. While he is best known for discovering William Frederick Cody (Buffalo Bill) and making the irrepressible scout a star, Judson—by that time—had already lived five lifetimes himself: he had fought Seminole Indians in Florida; started and bankrupted three newspapers; published dozens of successful novels; agitated for the Know-Nothing party; and fought in the Union Army during the Civil War. Along the way, the fiery redheaded, gray-eyed writer lectured extensively about temperance between drinking bouts. He married eight women, seduced at least one other, and cavorted with prostitutes, one of whom beat him physically and legally. It wasn't until 1869 that, en route home from a temperance speaking tour in California, he met Cody in Nebraska, while trying to make contact with another Western star, "Wild Bill" Hickok. Judson's time with his last three wives overlapped his time with Cody. Their subsequent fight over Judson's Civil War pension provides not only a unique glimpse into the mind of a narcissistic genius, but also a panoramic view of America's past forcibly displayed by white, Protestant manhood. The Notorious Life of Ned Buntline captures the likeness of a man whose life was a landscape littered with contradictions—a man whose readers often forgave his Jekyll-and-Hyde behavior because of his inventive portrayal of a country trying to subdue the last of its natural landscapes and make sense of its teeming cities. It will be, at last, an open-eyed look at the man who sparked an American legend but whose own scandalous life somehow escaped history's limelight.

A funny, suspenseful mystery and unlikely friendship story from New York Times bestselling author Gordon Korman—perfect for fans of Swindle and Ungifted. Keenan has lived all over the world but nowhere quite as strange as Centerlight Island, which is split between the United States and Canada. The only thing weirder than Centerlight itself is his neighbor Zarabeth, aka ZeeBee. ZeeBee is obsessed with the island's history as a Prohibition-era smuggling route. She's also convinced that her beloved dog, Barney, was murdered—something Keenan finds pretty hard to believe. Just about everyone on Centerlight is a suspect, because everyone hated Barney, a huge dog—part mastiff, part rottweiler—notorious for terrorizing the community. Accompanied by a mild-mannered new dog who is practically Barney's opposite, ZeeBee enlists Keenan's help to solve the mystery. As Keenan and ZeeBee start to unravel the clues, they uncover a shocking conspiracy that dates back to Centerlight's gangster past. The good news is that Keenan may have found the best friend he's ever had. The bad news is that the stakes are sky-high. And now someone is after them. . . .
