"Omar and his younger brother Hassan live in a refugee camp, and when an opportunity for Omar to get an education comes along, he must decide between going to school every day or caring for his nonverbal brother in this ... portrayal of family and daily life in a refugee camp"--

In Dublin, 1918, a maternity ward at the height of the Great Flu is a small world of work, risk, death, and unlooked-for love, in "Donoghue's best novel since Room" (Kirkus Reviews). In an Ireland doubly ravaged by war and disease, Nurse Julia Power works at an understaffed hospital in the city center, where expectant mothers who have come down with the terrible new Flu are quarantined together. Into Julia's regimented world step two outsiders—Doctor Kathleen Lynn, a rumoured Rebel on the run from the police, and a young volunteer helper, Bridie Sweeney. In the darkness and intensity of this tiny ward, over three days, these women change each other's lives in unexpected ways. They lose patients to this baffling pandemic, but they also shepherd new life into a fearful world. With tireless tenderness and humanity, carers and mothers alike somehow do their impossible work. In *The Pull of the Stars*, Emma Donoghue once again finds the light in the darkness in this new classic of hope and survival against all odds.

This eBook edition of "The Search" has been formatted to the highest digital standards and adjusted for readability on all devices. The storyline is set during the WWI and follows a spirited girl Ruth Macdonald who helps a lonely soldier to find the true love he was looking for.

Good Omens meets *The Long Way to a Small, Angry Planet* in Ryka Aoki's *Light From Uncommon Stars*, a defiantly joyful adventure set in California's San Gabriel Valley, with cursed violins, Faustian bargains, and queer alien courtship over fresh-made donuts. but Lan's kind smile and eyes like stars might just redefine a soul's worth. And maybe something as small as a warm donut is powerful enough to break a curse as vast as the California coastline. As the lives of these three women become entangled by chance and fate, a story of magic, identity, curses, and hope begins, and a family worth crossing the universe for is found. Parade “ Best Books of Summer ” pick \* Real Simple pick \* She Reads “ Best WWII Fiction of Summer 2021 ” pick The New York Times bestselling author of the “ heart-stopping tale of survival and heroism ” (People) The Book of Lost Names returns with an evocative coming-of-age World War II story about a young woman who uses her knowledge of the wilderness to help Jewish refugees escape the Nazis—until a secret from her past threatens everything. After being stolen from her wealthy German parents and raised in the unforgiving wilderness of eastern Europe, a young woman finds herself alone in 1941 after her kidnapper dies. Her solitary existence is interrupted, however, when she happens upon a group of Jews fleeing the Nazi terror. Stunned to learn what ’ s happening in the outside world, she vows to teach the group all she can about surviving in the forest—and in turn, they teach her some surprising lessons about opening her heart after years of isolation. But when she is betrayed and escapes into a German-occupied village, her past and present come together in a shocking collision that could change everything. Inspired by incredible true stories of survival against staggering odds, and suffused with the journey-from-the-wilderness elements that made Where the Crawdads Sing a worldwide phenomenon, The Forest of Vanishing Stars is a heart-wrenching and suspenseful novel from the #1 internationally bestselling author whose writing has been hailed as “ sweeping and magnificent ” (Fiona Davis, New York Times bestselling author), “ immersive and evocative ” (Publishers Weekly), and “ gripping ” (Tampa Bay Times).

WITH FEATURETTES FROM NICHOLAS SPARKS AND THE MOVIE CAST, DELETED SCENES, MUSIC VIDEO, AND MORE! IN THEATERS OCTOBER 17, 2014! Starring Michelle Monaghan, James Marsden, Luke Bracey, and Liana Liberato "Everyone wanted to believe that endless love was possible. She'd believed in it once, too, back when she was eighteen." In the spring of 1984, high school students Amanda Collier and Dawson Cole fell deeply, irrevocably in love. Though they were from opposite sides of the tracks, their love for one another seemed to defy the realities of life in the small town of Oriental, North Carolina. But as the summer of their senior year came to a close, unforeseen events would tear the young couple apart, setting them on radically divergent paths. Now, twenty-five years later, Amanda and Dawson are summoned back to Oriental for the funeral of Tuck Hostetler, the mentor who once gave shelter to their high school romance. Neither has lived the life they imagined . . . and neither can forget the passionate first love that forever changed their lives. As Amanda and Dawson carry out the instructions Tuck left behind for them, they realize that everything they thought they knew -- about Tuck, about themselves, and about the dreams they held dear -- was not as it seemed. Forced to confront painful memories, the two former lovers will discover undeniable truths about the choices they have made. And in the course of a single, searing weekend, they will ask of the living, and the dead: Can love truly rewrite the past?

The Manusmriti, the social doctrine of yore, and the Bhagvad-Gita, the spiritual tome in vogue that lay down the discriminatory dharma (duties) of the four social classes (castes) have been the bugbears of the Hindu backward classes. However, to their chagrin, of late, as the latter is being mindlessly promoted even though the former was constitutionally debunked, they began advocating that it too should be dumped in a dustbin. Ironically, the improbability of their progenitor Krishna, the architect of the Gita, relegating his own ilk to the social margins failed to dawn upon these that Gita supposedly slights, even to this day! Thus, their intellectuals, instead of seeking to reclaim their priceless heritage, albeit after ridding its interpolative garbage, tend to rubbish it a la throwing the baby with the bathwater, and needless to say they must ponder. Also, it is high time that the Gita-class stop laying store by the self-aggrandizing verses in this Vyasa's classic, evidently inserted by their progenitors that came to bedevil the Hindu spiritual integrity and social harmony. Likewise, the grumblers of the dalit desertions must see the need for setting the Hindu house in order to prevent the fractious poaching by the Church, if not to facilitate the 'hoped for' return of the prodigals. So also those who take pride that Hinduism is the only religion that reckons all faith as true, should be concerned about the 'in vogue' Gita that belittles some of their caste fellows. Besides, this work beckons the feminists to reckon the second of the two interpolations from it cited in the cover image that degrades them in unspeakable terms. It is hoped that this 'overdue' work, might lead the 'denied' castes as well as the favoured folks for an objective approach to the Gita 'as it is' which could dispel the misgivings of the former and the delusions of the latter, thereby bridging the Hindu emotional gulf with its abridged book that restores its original form. So, this is a must read for every Hindu, whether or not one concurs with its propositions, and likewise for the students of logic and reasoning.
