The new editions of the Obento series have been updated in response to teachers feedback and changing emphases in the curriculum and technology. Now supported by a suite of digital resources, including the NelsonNetBook, the best loved features have been continued, with an innovative and logical methodology for introducing script, rich video and audio resources, and an emphasis on intercultural understanding and language learning. Obento is a fully integrated course in three stages, written specifically for secondary students learning Japanese. Obento Deluxe is the first level in the new edition of this highly popular series. The expert author team of Peter Williams, Sue Xouris and Kyoko Kusumoto bring their expertise, creativity and humour to this comprehensive resource. This completely revised Workbook offers a wealth of consolidating and reinforcing exercises to revise language and structures, plus: a CD of audio tracks needed to complete the listening tasks in class or at home a DVD of cultural videos as well as the unit theme videos (with and without subtitles) that exemplify the language covered in the Student Book.

This workbook offers a wealth of consolidating and reinforcing exercises to revise language and structures.

By the author of the popular Obento series, Obento Snack Pack uses games, crafts, songs, cartoons, and an interactive CD-ROM included with the Teacher Resource Book.

Designed around the principles of intercultural language learning, such as noticing, making connections, reflecting and interacting, the student book provides ample opportunities for students to develop intercultural competence while learning a new language.

Annotation. The Obento series is the market-leading Japanese series for Years 7-10 students in Australia. This fifth edition is revised and updated with greater explicit alignment to The Australian Curriculum: Japanese, greater support for the acquisition of Japanese script, streamlined and high-calibre digital content and a more cohesive 7-10 series. The Audio Pack USB contains all the audio recordings from the student book, workbook and unit tests. All audio is recorded by native speakers of Japanese to ensure accurate pronunciation and appropriate fluency.
