and 'creating your reality' but so often this just doesn't work out the way we hope. So what's the answer? So many self-help books are 'all talk' but here is something that works. Created from ten years of teaching experience, the techniques in this book really will guide you to find emotional freedom and peace of mind no matter what's going on. This book takes you on the same coaching journey that Michael uses with his clients and has witnessed working because it's about feeling better rather than being better. It explains Michael's unique techniques, from the Magic Button, which gets you to see what you can do to change things rather than remaining afraid, to the Relationship Tigger, which offers instant soothing for challenging feelings such as jealousy and fear of rejection, to the Tools for Emotional Overwhelm, fast-acting kinetic techniques for when you're in an emotional storm and nothing is helping. Amazing things happen when you know how to simply be yourself and love yourself, shining bright as who you are - and this book will show you how.

Ryan and Selena Frederick were newlyweds when they landed in Switzerland to pursue Selena's dream of training horses. Neither of them knew at the time that Ryan was living out a death sentence brought on by a worsening

genetic heart defect. Soon it became clear he needed major surgery that could either save his life--or result in his death on the operating table. The young couple prepared for the worst. When Ryan survived, they both realized that they still had a future together. But the near loss changed the way they saw all that would lie ahead. They would live and love fiercely, fighting for each other and for a Christ-centered marriage, every step of the way. *Fierce Marriage* is their story, but more than that, it is a call for married couples to put God first in their relationship, to measure everything they do and say to each other against what Christ did for them, and to see marriage not just as a relationship they should try to keep healthy but also as one worth fighting for in every situation. With the gospel as their foundation, Ryan and Selena offer hope and practical help for common struggles in marriage, including communication problems, sexual frustration, financial stress, family tension, screen-time disconnection, and unrealistic expectations.

Go Ye: A 27-week intensive discipleship course The word "disciple" is grounded in "discipline," so we should have a disciplined approach in teaching people how Jesus reacted in every situation. People need to be taught to live and breathe the Word of God. We can only teach them by spending time with them and immersing them in the Word of God in a

systematic approach. What is discipleship? Too often, new believers come to Christ and don't receive the mentoring they need to discover how to live the abundant life Christ offers. They can easily become disillusioned with the Christian life simply because they don't connect with the power Christ offers. Christ taught us to not only reach the lost, but to teach the lost: "Go ye therefore and teach all nations, baptizing them in the name of the Father, and of the Son, and of the Holy Ghost, teaching them to observe all things whatsoever I have commanded you. And lo, I am with you always, even unto the end of the world." Utilizing modern-day parables, Jack Adams helps readers connect with Christ's commands. As you work through the Go Ye course of study, you'll learn to clearly and effectively explain what you believe and why you believe it. Each lesson in the workbook introduces a topic, teaches a principle, and invites you to discover the truth in God's Word. You'll benefit from working through Go Ye if: You desire to find out if the Jesus of the Bible is real You want to understand God's kingdom better You desire to articulate what you believe You want to be able to lead others to Christ You want to disciple others You simply want to know Jesus better REVEREND JACK ADAMS is the founder of Matthew 2819 Ministries, which supports gospel crusades and short-term missions around the world. His first book, Go Ye, a 27-week intensive discipleship course,

Discover Jesus is a 12 week Bible study course for non-Christians and new believers. This is the workbook for the course. The material starts out by focusing people on asking why God created us. Everyone is looking for a sense of meaning or purpose in life, but because we are created, we cannot define that purpose for ourselves. We can only discover our purpose from God Himself. And He only shows us His design through Jesus. In the course we look at the different ways that Jesus reveals the Father and who He created us to be. We discover that we were created through Jesus and for Him. We look at how Jesus died and rose again to free us from our selfishness and sin and to restore us into His image. We look at the awesome wonder of living in the image of God, but also at the cost of following Jesus. If we are to be His disciples we must take up our cross and let Him redefine our lives so that we can live in unity and love with Jesus. Our goal is not just to help people to understand the gospel, but to entice people to enter into a romance with Jesus. We are preparing people

to love Jesus with all their hearts. Those who make a decision to follow Jesus at the end of the course will be people who are willing to live fully for Jesus; people who are want to give their lives to loving God and others. The Bible study series spans 12 weeks, depending on the group dynamics. At the end of the course, if people want to continue meeting together to study the word of God then we have more studies and resources available. These can be found online at www.discoverjesus.today
